

# STAKEHOLDER ENGAGEMENT FOR RULEMAKING

## **Executive Order 05**

When a rule author requests to start working on a rule revision, individuals signed up to receive an email are sent information about the rule revision.

## **Department of Regulatory Agencies**

The Medical Services Board Coordinator uploads the draft rule to DORA. Individuals signed up to the DORA email list receive notification of the uploaded document.

## **Public Rule Review Meeting**

The Department hosts a public rule review meeting, which is an opportunity to have a 1-1 conversation with the rule author regarding the draft rule.

## **Initial MSB Meeting**

First of two meetings to approve the rule, changes may be made. Stakeholders may sign up to provide comment.

## **Final MSB Meeting**

Second of two meetings to approve the rule, some changes may be made. Stakeholders may sign up to provide comment.

## **Colorado Register**

The Medical Services Board Coordinator uploads the notice of rule making to the Secretary of State's office to be published in the Colorado Register.

## **Rule Development**

Rule author reaches out to stakeholders and/or partners and provides the opportunity for input on proposed rules.
