DAL #013 Rate Increase for Alternative Care Facilities (ACF) effective July 1, 2008

Dear ACF Administrators:

The Department of Health Care Policy and Financing (the Department) is issuing this letter to inform you of a rate increase for Alternative Care Services which will go into effect on July 1, 2008.

The new daily rate for the ACF benefit is \$49.01. The PARs for “standard” Medicaid clients will be systematically updated for dates of service starting July 1, 2008, with the new rate and the remaining units. All PARs for 300% ACF clients will need to be modified by the Single Entry Point (SEP) Case Manager to reflect the new rate and/or the new client payment. Please contact your Medicaid client’s case manager for this new rate.

The client’s room and board amount remains at \$584 per month.

Please contact Dixi Gloystein via email at dixi.gloystein@state.co.us or by calling the number listed below, if you have questions or need additional information.

Sincerely,

Dixi Gloystein
