Re: Child Health Plan *Plus* program changes

Dear County Director or Medical Assistant Site Director:

The Child Health Plan *Plus* (CHP+) program would like to inform you about the following changes in our program:

San Luis Valley HMO starts service for CHP+

Effective June 1, 2010 San Luis Valley HMO will be available for CHP+ children in Alamosa, Bent, Chaffee, Conejos, Costilla, Crowley, Custer, Freemont, Huerfano, Las Animas, Mineral, Otero, Prowers, Rio Grande, Saguache, and Yuma counties.

Colorado Access Only

Effective June 1, 2010 Colorado Access will be the only HMO to provide service to CHP+ children in Clear Creek, Elbert, Larimer, Lincoln, Morgan, Park, Pueblo, and Washington counties.

Rocky Mountain Health Plan County Expansion for CHP+

Effective February 1, 2010 Rocky Mountain Health Plan (RMHP) was available for CHP+ children in Archuleta, Delores, Eagle, Grand, Gunnison, Hinsdale, Jackson, Lake, Moffat, Ouray, Pitkin, Rio Blanco, Routt, San Juan, San Miguel, and Summit Counties.

The CHP+ State Managed Care Network (SMCN) will no longer be available as an HMO for children in these counties. The CHP+ SMCN will continue to be available and provide benefits for the Pre-HMO, Presumptive Eligibility, and prenatal care program clients only.

If you have any questions or need additional information, please contact me at 303-866-3291 or [kristy.wilson@state.co.us](mailto:kristy.wilson@state.co.us).

The ability of a CHP+ member to select a particular HMO is dependent on where the CHP+ member resides. A pre-HMO enrollment period is the span of time from a member's application date until the member is enrolled in a CHP+ participating HMO. The State Managed Care Network delivers care during this span or presumptive eligibility period.

State Managed Care Network is available in all counties during the presumptive eligibility and pre-HMO enrollment periods, as well as enrollments for prenatal clients.
