Re: Child Health Plan *Plus* program changes (correction)

Dear County Director or Medical Assistant Site Director:

This letter is a revision to the May 17, 2010 letter for Child Health Plan *Plus* (CHP+) program changes. We would like to inform you that the name of the new CHP+ HMO effective June 1, 2010, is **Colorado Choice Health Plan** instead of San Luis Valley HMO. This will be corrected in CBMS as soon as possible.

If you have any questions or need additional information, please contact me at 303-866-3291 or kristy.wilson@state.co.us.

Sincerely,

A handwritten signature in cursive script that reads 'Kristy Wilson'.

The ability of a CHP+ member to select a particular HMO is dependent on where the CHP+ member resides. A pre-HMO enrollment period is the span of time from a member's application date until the member is enrolled in a CHP+ participating HMO. The State Managed Care Network delivers care during this span or presumptive eligibility period.

State Managed Care Network is available in all counties during the presumptive eligibility and pre-HMO enrollment periods, as well as enrollments for prenatal clients.
