**Purpose:**

The purpose of this agency letter is to notify County Departments of Social/Human Services and Medical Assistance Site staff of the revisions to the Family Medicaid income guidelines.

**Background:**

House Bill 09-1293 expanded the Family Medicaid 1931 category. 1931 income was expanded up to 100% Federal Poverty Level (FPL) and will cover parents with a Medicaid eligible child(ren) in the home. The Department no longer covers parents under the current Parents Plus category. The Parents Plus category has been eliminated due to the 1931 expansion.

**Procedure or Information:**

The Colorado Benefits Management System was updated to reflect the FPL increase to the 1931 category of assistance.

**Effective Date:**

May 1, 2010
