1. Internal controls are a process. It is a means to an end, not an end in itself. People affect internal controls. It is not policy manuals and forms, but people at every level of an organization.
2. Internal control can be expected to provide only reasonable, not absolute assurance, to an entity's management and board.
3. Internal Control comprises five interrelated components:
 - a. Control Environment: The people - their individual attributes, including integrity, ethical values and competence - and the environment in which they operate. They are the engine that drives the entity and the foundation on which everything rests.
 - b. Risk Assessment: Mechanisms that identify, analyze, and manage related business and operating risks.
 - c. Control Activities: Control policies and procedures must be established and implemented to help ensure that the actions identified by management as necessary to address risks and obtain the specified goals are effectively carried out. Policies and procedures should be reviewed on a periodic basis by management.
 - d. Information and Communication: Surrounding these activities are information and communication systems. These enable the County Department of Social/Human Services to capture and exchange the information needed to conduct, manage and control their operations.
 - e. Monitoring: The entire process must be monitored and modifications made as necessary. In this way, the system can react dynamically, changing as conditions warrant.

c. Discontinuance of Program

If fixed assets were purchased for a program that has been discontinued, ~~the assets may continue to be used for the benefit of the other federally funded programs that are administered by the County Department must follow disposition instructions from the State Department and the State Department will advise the County on where the credit should be posted. If the State Department fails to provide requested disposition instructions within 120 days, fixed assets with a current fair value in excess of \$10,000 per unit may be retained or sold by the County Department.~~ **However, the Federal agency is entitled to an amount calculated by multiplying the percentage of the Federal portion towards the original purchase by the current market value or proceeds from the sale.**

~~d. Credit to the Original Funding Source~~

~~Upon fixed asset disposal, the trade-in value or scrap value is to be reported as a credit to the original funding source of the asset.~~

54. Recorded in the General Ledger

The total dollar amount of fixed assets shall be recorded in the general ledger and shall be supported by and agree to the detailed property records that disclose the funding source of the assets.

65. Donated Fixed Assets

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

Fixed assets donated to a County Department shall be recorded at the fair market value on the date of the gift and treated as purchased equipment for inventory and accounting purposes.

76. Leased Fixed Assets With No Intent to Purchase

The fixed asset so acquired must be used by, and in, the County Department for the term of the lease.

a. Interest

Interest is allowable per the restrictions found in this rule manual, section 1.010.113.3.

b. Allowable Cost in a Sale and Leaseback

Costs under sale and leaseback arrangements are allowable only up to the amount that would be allowed had the County Department continued to own the fixed asset.

c. Limit on Amount of Reimbursement

Fixed assets rented by the county with no intent to purchase are reimbursable only up to the amount of the annual depreciation had the county purchased the asset.

87. Capital Lease of Fixed Assets

Costs under leases, ~~which are required to be treated as capital leases under generally accepted governmental accounting principles,~~ are allowable only up to the amount that would be allowed had the county purchased the fixed asset on the date the lease agreement was executed. This amount would include expenses such as depreciation or use allowance, maintenance, and insurance.

a. **No County shall enter into any financed purchase of an asset whose duration, including all optional renewal terms, exceeds the weighted average useful life of assets being financed. 29-1-103(3)(e)(I)**

1.010.1513. Revenue and Expenditures

1. County Tax Revenue

The county government, through the budget process, determines the amount of county tax revenue that will be deposited into the social/human services fund during a calendar year.

a. Apportioned Taxes

County tax revenue apportioned to the social/human services fund includes but is not limited to:

i.) Levy on assessed valuation of property, and

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

ii.) Specific ownership taxes.

b. Deposits are Revenues

The county shall record the actual deposits made each month to the social/human services fund from information furnished by the County Treasurer. No calculation of earned revenue from county sources is necessary month by month.

2. Miscellaneous Revenue

a. Revenue from Social/Human Services Costs

All revenue received by a county or County Department, as a result of part or all of the costs being borne by a social/human services program, shall be deposited into the social/human services fund.

b. Donations and Gifts

Unrestricted bequests, gifts or donations to the County Department are used as local revenue. If a restricted donation to the county is invested and the income from the investment is not restricted, such income is a source of local revenues.

3. State and/or Federal Revenue and Payables

a. Monthly Posting to the General Ledger

Accounting entries to record the County Department calculation of the monthly earned revenues and electronic benefit authorization payables shall be posted monthly to the county general ledger.

4. ~~1.010.14~~ **Expenditures And Allowable Costs**

a1. ~~An expenditure must benefit the program for which it is incurred, meaning that any cost charged to Medical Assistance must be directly related to those and that are necessary for achieving the specific goals and objectives of the federal program, essentially ensuring that funds are used only for activities that are in accordance with program guidelines and the 2 CFR Part 200 Cost Principles principles.~~

a. ~~According to 2 CFR §200.403, costs are allowable if they are reasonable, necessary, and allocable to Medical Assistance, and comply with funding statute and State Department requirements.~~

i. Expenditures Shall Be Necessary and Reasonable

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

Expenditures shall be necessary and reasonable for proper and efficient performance and administration. A cost is reasonable if, in its nature and amount, it meets all the following criteria

A) Expenditures Shall Be Compared to Market Prices for Reasonableness

i. Expenditures shall be compared to the market prices for comparable goods or services as a test for reasonableness.

ii. Expenditures Shall Be Ordinary and Necessary

Expenditures shall be of a type generally recognized as ordinary and necessary for the operation of the governmental unit or the performance of the federal award.

iii. Expenditures Shall Meet Standards Such as Sound Business Practices and Arms-Length Bargaining

Expenditures shall have restraints or requirements imposed by such factors as: sound business practices; arms-length bargaining; federal, State and other laws and regulations; and, terms and conditions of the State and/or federal award.

iv. Expenditures Shall Be the Same as Would Be Incurred by a Prudent Person

Expenditures shall not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost. A prudent person is one who considers their responsibilities to the governmental unit, its employees, the public at large, and the federal government.

b. Expenditures Shall Be Allocable

Expenditures that are allocable must benefit the federal program to which they are being charged.

i. Relative Benefits Received

A cost is allocable to a particular cost objective if the goods or services involved shall be chargeable or assignable to such cost objective in accordance with relative benefits received.

ii. Cost Shifting to Fund Deficiencies

Any cost allocable to a particular federal award or cost objective shall not be charged to other federal awards to overcome fund deficiencies or to avoid restrictions imposed by law or terms of the federal awards, or for

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

other reasons. However, this prohibition shall not preclude from shifting costs that are allowable under federal and State laws for two or more awards in accordance with existing program agreements.

2. Examples of Allowable versus Unallowable Costs

Per 2 CFR Part 200, the following list represents examples of unallowable costs; however, it is not meant to be comprehensive. These are intended to cover the most common types of costs incurred. Omission of a particular item does not indicate that it is allowable or unallowable.

- a. Allowable costs are direct. The cost results in a direct benefit to Medical Assistance. The cost can be easily and accurately traced to Medical Assistance.
- i) Advertising (2 CFR §200.421) ~~albeit~~ the recruitment of personnel i.e. help wanted ads.
- ii) Compensation (2 CFR §200.430) - personal services for enrollment and eligibility duties justified in a job description. The County Department must update job descriptions and use daily logs (100% time reporting) to specifically justify enrollment and eligibility work. Routine fiscal and budget activities do not fall under the enrollment and eligibility umbrella.
- iii) Compensation (2 CFR §200.431) - fringe benefits for enrollment and eligibility workers that are reasonable and are required by law, an entity-employee agreement, or an established policy of the County Department.
- iv. Conferences (2 CFR §200.432) an event to disseminate technical information to the County Department. Allowable costs include rental of facilities, speakers's fees, attendance fee, cost of meals and refreshments, and local transportation.
- v. Defense and prosecution of criminal and civil proceedings, claims, and appeals (2 CFR §200.435) service costs that bear a direct relationship before, during, or after the proceeding.
- vi. Employee Health and Welfare Costs (2 CFR §200.437) are costs incurred in accordance with the County Department's written policies for improving employee health.
- vii. Depreciation (2 CFR §200.436) on items with a unit cost of \$10,000 or more can be claimed as indirect only; a. Assets may be depreciated or claimed as cost sharing but not both. Depreciation may be calculated on the non-federal share of the asset. No depreciation may be allowed on assets that have outlived their depreciable lives.
- viii. Maintenance and repair costs (2 CFR §200.452) include utilities, insurance, security, necessary maintenance, janitorial services, repairs, or upkeep of buildings and equipment which neither add to the permanent value of property or prolong its intended life, but keep it in an efficient operating condition.

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

- ix. Materials and supplies costs, including costs of computing devices (2 CFR §200.453) that are necessary for the performance of the Medical Assistance program. Withdrawals from general store or stockrooms are charged to the federal program based on true cost, net price of the item, using a consistent inventory valuation method in accordance with GAAP.
- x. Membership (2 CFR §200.454) in business, technical, or professional organizations such as CGHSFOA and CHSDA.
- xi. Member Participation costs (2 CFR §200.456) means support for member participation in or attending Medical Assistance activities, such as participation in member engagements, conferences or surveys facilitated by the County Department, and consist of stipends, travel allowances, registration fee, temporary dependent care, and per diem paid directly to or on behalf of members whose perspectives or input are sought as part of the federal program. Must be documented in the County Departments written policies and procedures and treated consistently across all federal awards.
- xii. Security costs (2 CFR §200.457) that are necessary and reasonable for the protection and security of facilities, personnel, and work products.
- xiii. Publication and printing costs (2 CFR §200.461) for electronic and print media.
- xiv. Telecommunication and video surveillance costs (2 CFR §200.471) such as phones, internet, video surveillance and cloud servers except for the prohibitions outlined under the procurement section.
- b. Unallowable Costs
 - i. Direct funding provided by the County Department to the applicant or member; this includes any costs that are billable as claims through the State Department claims payment system. Examples include gift cards or payments provided for member needs such as diapers, gasoline, car repairs, meals/snacks, entertainment activities such as books/toys, rent, cell phone, medical equipment, etc.
 - ii. Alcoholic beverages (2 CFR §200.423)
 - iii. Single Audits (2 CFR §200.425) that fall under the \$1,000,000 threshold of federal expenditures.
 - iv. Bad debts (2 CFR §200.426) debts determined to be uncollectible.
 - v. Contributions and donations (2 CFR §200.434) including cash, property, and services to other entities.
 - vi. Entertainment and prizes (2 CFR §200.438) costs of entertainment, amusement, or social activity. Examples include gifts, prizes, or challenges.

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

- vii. Equipment and other capital expenditures (2 CFR §200.439) are unallowable as indirect costs.
- viii. Fines, penalties, damages and other settlements (2 CFR §200.441) such as legal judgments and settlements against the County Department.
- viiiix. Fundraising and investment management costs (2 CFR §200.442) of organized fundraising, gift/bequest solicitation, and capital raising contribution.
- ix. Goods or services for personal use (2 CFR §200.445) of the County Department's employees regardless of whether the cost is reported as taxable income to the employee.
- xi. Recruiting costs (2 CFR §200.463) such as special emoluments, fringe benefits, and salary allowances incurred to attract professional personnel that do not meet the test of reasonableness.
- xii. Scholarships, student aid costs, and tuition (2 CFR §200.466) only if the purpose of the federal award is to provide training to participants.
- xiii. Selling and marketing costs (2 CFR §200.467) of any Medical Assistance products or services.
- xiii. Insurance related to travel insurance (2 CFR §200.475) expenses paid by the traveler are not allowable for reimbursement.

3. Proper Classification of Federal Match Enhanced and Non-Enhanced Activities

The Patient Protection and Affordable Care Act Care made additional funds available for specific activities related to Medical Assistance eligibility processing and determination activities. Those specific identified administrative activities relate to eligibility, enrollment, and supporting functions including customer service and other required functions that support eligibility and enrollment. These activities are referenced to "enhanced" whereby a higher federal reimbursement is provided.

<u>Expense</u>	<u>Total Percentage</u>	<u>Federal Percentage</u>	<u>State Percentage</u>	<u>Local Percentage</u>
<u>Enhanced</u>	<u>100%</u>	<u>75%</u>	<u>15%</u>	<u>10%</u>

a. Enhanced Activities

- i. Enrollment and eligibility work performed in CBMS and supported by job descriptions that accurately reflect the work being done.
- ii. Call center staff providing activities related to eligibility determination or on-going case maintenance and supported by job descriptions that accurately reflect the work being done.

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

- iii. IT staff setting up or maintaining workstations for enrollment and eligibility workers. Managing access and management of CBMS is a State Department function.
- iv. Interpreters who perform enrollment and eligibility support activities such as interpreting for members-clients in the enrollment and eligibility process for applications, recertifications, and case maintenance. This is supported by job descriptions or contractual agreements that accurately reflect the work being done.
- v. Supervisory or leadership responsibilities directly related to enrollment and eligibility processes such as intake, acceptance, eligibility determinations, on-going cash maintenance, and customer services activities related to enrollment and eligibility activities.
- vi. Operating expenses such as cleaning, repairs and maintenance, telephone, travel, ADP equipment (printers, copiers, scanners), office space, and office supplies consumed by enrollment and eligibility workers, and those individuals that support or supervise this work. Office space must be calculated on actual space occupied by enrollment and eligibility staff and not be allocated based on an FTE percentage.

b. Non-enhanced Activities

All other Medical Assistance eligibility and enrollment administrative activities that cannot be categorized as enhanced as outlined above are reimbursable at the non-enhanced rate listed below.

<u>Expense</u>	<u>Total Percentage</u>	<u>Federal Percentage</u>	<u>State Percentage</u>	<u>Local Percentage</u>
<u>Non-Enhanced</u>	<u>100%</u>	<u>50%</u>	<u>30%</u>	<u>20%</u>

- i. Call center staff functions related to benefits, general beneficiary education, and plan choice, which are not functions delegated to the County Department.
- ii. Program integrity; once a case is determined eligible, the enrollment and eligibility portion is complete; therefore this covers quality review, audit, and fraud activities.
- iii. Staff development and training.
- i. Human resources and routine fiscal activities of accounting, finance, and budget staff activity or other staff, unless these employees complete enrollment and eligibility case activities or inquiries.
- iii. Attorneys or legal staff involved in the enrollment and eligibility discussion or decision, but not involved with CBMS.

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

- iv. Transportation is a post-eligibility activity which covers travel and fixed assets such as vehicles. See Travel and Fixed assets for additional guidance.
 - v. Security and shredding services are not directly related to enrollment and eligibility.
 - vi. Repairs and maintenance on the County computer network and other equipment such as firewall monitoring, electronic fax system, text messaging service, telephone system, etc.
 - vii. Equipment and other capital expenditures are unallowable as indirect costs (2 CFR §200.439).
 - viii. Outreach activities that relate to eligibility and enrollment, including personnel costs.
4. Prior Written Approval (2 CFR §200.407)

Per 2 CFR Part 200 and to avoid disallowance, a County Department must seek prior written approval from the State Department of the following before incurring the cost or generating the income.

a. Cost Sharing (2 CFR §200.306)

Acceptable contributions are verifiable in the County Departments records, are not included in any other federal program, necessary and reasonable to achieve objectives, allowable under the 2 CFR Part 200 cost principles, and are not paid directly or indirectly under another federal program.

- i. Depreciation on assets is permitted so long as the property is not counted toward meeting cost share requirements (2 CFR §200.436)

b. Program Income (2 CFR §200.307)

Gross income earned by the County Department that is directly generated as a result of the federal award. Program income must be expended prior to applying federal funds.

c. Equipment and other capital expenditures (2 CFR §200.439)

Assets consisting of general purpose equipment with a unit cost of \$10,000 or more, and capital improvements that materially increase their value or useful life.

d. Fundraising costs (2 CFR §200.442)

Fundraising for the purpose of meeting the Medical Assistance program objectives.

~~Expenditures shall have restraints or requirements imposed by such factors as: sound business practices; arms-length bargaining; federal, State and other laws and regulations; and, terms and conditions of the State and/or federal award.~~

~~4) Expenditures Shall Be the Same as Would Be Incurred by a Prudent Person~~

~~Expenditures shall not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost. A prudent person is one who considers their responsibilities to the governmental unit, its employees, the public at large, and the federal government.~~

~~b. Legal Settlements~~

~~Legal judgments and settlements against the County Department are not reimbursable.~~

6. Documentation of Expenditures

To be allowable for reimbursement under federal awards, expenditures reported in ~~the County Financial Management System~~ CFMS shall meet the following criteria:

a. Documentation to Support Expenditures

The authorization to purchase, documentation of the receipt of the goods or services, the vendor's invoice, and a signed commitment voucher or signed approval to pay for each disbursement are documents supporting expenditures and must be retained and available for audit purposes.

i.) Prior Authorization

Expenditures shall have County Department be prior authorization evidenced by a signed requisition, purchase order, or similar form of prior authorization § 200.318. ~~If the purchase is for a monthly recurring expense, a copy of the initial authorization shall be attached to the billing.~~

~~ii) Different People Are Required for Ordering, for Receiving and for Processing Payment~~

~~The person ordering goods and/or services shall not be the same person receiving or the person processing the payment for them. Likewise, the person receiving the goods/services shall not be the same person processing the payment for them.~~

iii.) Receiving Reports

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

1.) Proper Receiving Report

Expenditures shall be documented by evidence of the receipt of goods or services such as a receiving report or other supporting documentation signed by an employee authorized to receive the goods or services. A receiving report or other supporting documentation shall include; actual quantities received, any unsatisfactory condition, and compliance with specifications, prior to a voucher being processed for payment and shall be attached to the voucher packet.

iv.) Verification of Vendor's Invoice

The vendor's invoice must be verified by checking for proper purchase authorization, notation of receipt of goods/services, correct addition, and extensions. The invoice should be signed approved either in hard copy or electronically by the person verifying its accuracy. Any discounts for prompt payment or volume purchase shall be reported as a credit or reduction of expenditures.

v.) Commitment Vouchers

No disbursement of funds shall be made unless the County Department Director or the director's designee has signified approval by facsimile signature of the signing the commitment voucher or invoice.

67. Employee Salary and Benefits

To be allowable for reimbursement under Federal awards, employee salary and benefits reported in the County Financial Management System-CFMS shall meet the following criteria:

a. Documentation of Employee Salary and Benefits

The County Department Director and/or County Board bBoardboard of Ccounty Commissioners will document employee salary, benefits, and withholdings on payroll records. 1.010.4615. Contracts Procurement

1. The A-County or the County Department must develop, maintain and use documented procedures for procurement transactions using Medical Assistance dollars or other federal funds.

2. Bid System

A County Department that purchases in excess of \$100,000 shall use a formal advertising and bidding process to provide, to the maximum extent practicable, open and free competition. If a County Department is unable to use this process, written justification shall be available from the County Department giving the facts related to the purchase and the inability to advertise and seek bids.

3. Federal Funding Accountability and Transparency Act of 2006 (FFATA) Requirements

Regardless of procurement method, a County Department that receives funds directly from a federal entity and purchases from the same vendor goods and/or services in excess of \$30,000.00 is subject to the FFATA requirements.

a. First-Tier Recipient of Federal Funds

A County Department that receives Medical Assistance funds only is not subject to the FFATA requirements because in this instance, the State Department is the prime recipient (first-tier) of the Medical Assistance funds and as such bears the FFATA responsibility. When the County Department receives federal dollars in excess of the Medical Assistance funds, the County Department bears the FFATA responsibility.

4. Suspension and Debarment

Federal funds cannot be awarded to a contractor that has been suspended or debarred.

a. Exclusions Extract on SAM.gov

The County Department must verify procurement eligibility of a contractor by reviewing the Exclusions Extract at <https://sam.gov/content/exclusions>.

5. Prohibition on Telecommunications and Video Surveillance Services or Equipment

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

Due to national security, a County Department is prohibited from procuring equipment, services, or systems produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company or Dahua Technology Company or their subsidiaries or affiliates.

1.010.16. Contracts

The County Departments shall adhere to all county guidelines for contract processes and procedures. In the absence of county procedures, the County Department shall follow State contract process and procedures pursuant to 1 CCR 101 through 1 CCR 109.

To be allowable for reimbursement under federal awards, expenditures for contracts reported in the County Financial Management System CFMS shall meet the following criteria:

1. Contract Intent

Each County Department shall be responsible for assuring that the contracts they initiate are within the intent of the funding source and that the contract is necessary and is the most economical and efficient means for accomplishing the identified tasks.

2. Subrecipient versus Contractor Determination

Each County Department shall be responsible for determining the substance of the agreement as required by HHS Financial Guidance §75.351 CFR §200.331 between the county and its vendors. County Departments must have a documented process for this the determination of a subrecipient versus contractor. County Departments must maintain documentation of the determination as part of the agreement. When the result of the determination is a subrecipient:

- a.) The County Department must have a written monitoring process for oversight of its subrecipients. This process must include a risk assessment of each subrecipient.
- b.) The risk assessment is not part of the selection process but must be done at the outset of the subaward and at least annually thereafter.
- c.) Counties must follow information and documentation requirements required by 2 CFR §200.332 ~~HHS Financial Guidance §75.352.~~

3. Interagency Contracts

Formal agreements between two agencies, sometimes referred to as “Interagency Agreements,” “Memoranda of Understanding,” or “Memoranda of Agreement” are to be treated as if they are contracts.

4. Contracts Legality

The County Department shall be responsible for assuring that all constitutional, statutory, regulatory, and grant requirements have been met prior to signing a contract.

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

5. Protection of Interests

A County Department shall negotiate and process a contract when protecting the interest of the county can only be accomplished by using a contract. When questions arise in this area, the county legal representative should be contacted for assistance.

6. Advance Payments/Retainers

Contracts and other commitment vouchers shall not provide for advance payment for goods and/or services unless it is an established industry standard or unless the party to the contract provides a benefit to the county at least equal to the cost and risk of the advance payment. Any advance payment made on a contract shall require the written approval of the chairman of the County Board, or an authorized delegate.

7. No Personal Benefit

The county signatories of a contract shall have no personal or beneficial interest whatsoever in the goods or services described in the contract.

8. Contracts at a Minimum Shall:

a. Be in Writing

All contracts at a minimum shall be prepared in writing.

b. Specifically Identify the Parties to the Contract

All contracts at a minimum shall specifically identify the parties to the contract.

c. Contain a County Fiscal Year Restriction

All Contracts shall contain a fiscal year restriction such as:

“This contract is subject to and contingent upon the continuing availability of budgeted county funds for the purposes hereof.”

d. Contain a Restriction Regarding the Availability of State and/or Federal Funds

Contracts shall contain a restrictive clause involving State and or federal funds such as:

“This contract is subject to and contingent upon the continuing availability of State and or federal funds for the purposes hereof.”

e. All Contracts Shall Contain Provisions for:

i.) Statement of Work;

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

- ii.) Payment terms, including maximum dollar amount;
- iii.) Performance period (contract beginning and end dates); and
- iv.) General terms and conditions.

f. Request Payment at Least Monthly

Contractors shall bill for goods or services at least monthly. Goods or services performed must be identified in detail. Contracts shall specify that all parties to the contract shall maintain, for audit purposes, documentation to support expenditures claimed under the contract. Payments made should be coded to account categories that identify the type of expense being paid.

g. Define Breach of Contract

The county shall define breach of contract and include available remedies in the contract.

~~h. State a Preference for Colorado Labor~~

~~Pursuant to Sections 8-17-101 and 8-17-102, C.R.S., a preference for Colorado labor is applicable if the contract is for public works and is financed in part or in whole with State funds.~~

9. Contract Review

a. Contract Monitoring

The County shall have a monitoring system to assure that expenditures claimed are within the terms of the contract.

b. Review for Availability of Funds

Before the execution of a contract, the County Department Director or a delegate shall review the contract for completeness and to ensure that funds are available to cover the contract liability; written evidence of the director's or delegate's review shall be maintained with the contract.

c. Review for Compliance

Before execution of a contract, the County Department Director or delegate shall categorize the contract according to risk using the State Controller's "Review and Approval of State Contracts" criteria or criteria established by written policy of the County Department Director. The County Department legal representative shall review all high risk contracts to include compliance with:

i.) The federal and the State constitution,

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

- ii.) Federal and State laws,
- iii.) Federal and State rules and regulations,
- iv.) Executive orders, and
- v.) The authority of the County Department of Social/Human Services to enter into the contract.

The County Department shall maintain written documentation of the risk analysis of the contract as well as a copy of the results of the written legal review in the contract file.

d. Delegation of the Contracting Authority

Under certain circumstances the County Department Director may delegate, in writing, authority to execute contracts. Delegation of the County Department Director's signature authority does not eliminate the requirement that all contracts have a risk analysis and, if required, legal review, or exempt any County Department from securing the required approval from the chairman of the County Board.

10. Contract Signature Approval

a. Signature Authority

The chairman of the County Board or a designee shall sign all contracts on behalf of the County Department. Delegated authority shall be in writing and maintained for audit purposes.

b. ~~Original Facsimile~~ Signatures

It shall be the responsibility of the contracting county to obtain ~~original facsimile~~ or **legally accepted** signatures of all parties to the contract and to retain at least one contract that contains the ~~original or legally accepted facsimile~~ signatures of all of the contracting parties.

11. Required for Personal Services

Contracts shall be required when a County Department purchases personal services that are provided in a relationship other than that of employee-employer. Personal service contracts include maintenance and service agreements, including but not limited to, legal services, management services, extensions of County Department staff, other public or private agencies, automated data processing services, and training by other than the Colorado Department of Health Care Policy and Financing, Colorado Department of Human Services, or another County Department staff.

a. Contract Provision for Personal Services in excess of \$100,000

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

To be included as a reimbursable expense from the State Department, personal services contracts over \$100,000 shall include all of the following contract requirements:

- i.) Performance measures and standards developed specifically for the contract by the administering County;
- ii.) Accountability standards requiring regular vendor reports on achievement of the specified performance measures and standards;
- iii.) Payment provisions allowing the County to withhold payment until successful completion of all or specified parts of the contract and requiring prompt payment upon successful completion;
- iv.) Monitoring requirements specifying how the County and the vendor will evaluate each other's performance, including progress reports, site visits, inspections, and reviews of performance data; and
- v.) Processes for resolving disputes between the County and the vendor.

~~4112.~~ Required for Lease/Rent

A County Department shall negotiate and process a contract when leasing land, buildings, or other office or meeting space when the rental is for more than thirty days or for an amount more than \$5,000.00.

~~1213.~~ Required for Capital Construction/Maintenance

A County Department shall negotiate and process a contract when expending capital construction or maintenance funds in excess of \$510,000.00. Subject to State Department approval.

~~43134.~~ Compliance with Laws

Existing laws, rules and regulations cannot be overridden by terms in a contract or a memorandum of understanding.

1.010.17. Travel

The County Department shall adhere to all county guidelines for travel policies and reimbursement procedures. In the absence of county policies and procedures, County Departments shall follow 2 CFR §200.475(d) ~~State travel policies and procedures pursuant to 1 CCR 101-1, Chapter 5, Rule 5-1.~~

1. To be allowable for reimbursement under Federal awards, travel expenditures reported in the (CFMS) County Financial Management System shall meet the following criteria:

~~The cost of traffic fines and traffic tickets are not allowable for reimbursement.~~

76. Travel Expense Form and Approval

a. Travel Expense Form

The **StateCounty** Department-prescribed travel expense form or alternate form containing the same information shall be used for claiming all travel expenses for which an employee, volunteer, or County Board member requests reimbursement. A properly completed and approved travel expense form shall support all payments for travel expenses.

b. Approval

The County Department Director **or designee** shall sign the travel expense form. This **facsimile** signature shall certify a review and approval of all travel expense items. Receipts for lodging, parking and other miscellaneous claims shall be attached to the County Department copy of the travel expense form. This travel expense form and all receipts shall be retained. Approval of this travel expense form shall be shown by the employee's supervisor's **facsimile** signature. The employee requesting reimbursement shall sign the travel expense form to certify that all expenses listed are for approved County Department purposes.

c. Travel Advances

At the discretion of and in compliance with County Department policies and procedures, employees may request a cash advance to conduct business for the County Department. The amount of the travel advance shall be no larger than the total per diem allowance for the planned trip. **The StateCounty** Department-prescribed Request for Travel Advance form or alternate form containing the same information shall be used for requesting an advance. The form should require the signed approval of the employee's supervisor and the County Department Director **or designee**.

87. Travel Coding and Reimbursement

a. Travel Coding

Travel shall be reported under the same program and function coding as the employee's salary and benefits. If the travel expense is reported under a coding other than the coding for the employee's salary and benefits, sufficient explanation and/or documentation to support this alternate coding shall be attached to the travel expense form.

~~b. Travel Appropriations and Reimbursement~~

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

~~Travel by County Department employees and members of County Boards will be reimbursed within the limit of each County Department allocation(s) if travel was pursuant to section 1.010.7.K of these rules.~~

1.010.18. Office Space

1. To be allowable for reimbursement under federal awards, expenditures for office space reported in the ~~County Financial Management System~~CFMS shall meet the following criteria:

- ~~a. Purchase of Office Space~~

~~A county social/human services fund shall not use federal funds to construct or purchase buildings or facilities or to purchase real estate unless prior approval has been obtained from the Controller of the State Department, 1570 Grant St., Denver, CO 80203.~~

- ~~ba.~~ Allocation of Office Space Costs

The reimbursement for office space is a part of each program's administrative allocation and allowable only to the extent of each program's administrative allocation. The allocation of the total office space costs to each program is to be based on square foot used or other reasonable and documented method.

- ~~eb.~~ Sharing Office Space

If a building is shared with another agency, the County Department cost shall not exceed the prorated share of the total building costs based on square feet used.

- ~~dc.~~ Substantiating Space Costs

Prior to building or contracting for another building, or changing the current contract, the County Department shall obtain and retain documentation that office space costs incurred are equal to or less than the cost of comparable commercial leases in the area.

2. Allowable Costs for County Owned Office Space

- a. Allowable Capital Costs for Owned Office Space

The allowable cost for county-owned office space is based on a usage allowance of two percent per year of the capitalized cost of the building or an amount based on a reasonable depreciation schedule that is approved by the State Department approving authority~~Controller of the State Department, 1570 Grant St., Denver, CO 80203.~~

- b. Expenditure of the Social/Human Service Fund

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

The full amount of the usage allowance or depreciation for office space shall be an actual expenditure from the social/human services fund. This expenditure shall be paid to the Ccounty Department social/human services fund or other county entity that owns the building(s).

c. Allowable Office Space Costs in Addition to Capital Costs (2 CFR §200.452)

Office space costs that are allowable for reimbursement are as follows, but are not limited to, utilities such as heating, lighting or cooling the building, normal repairs and maintenance that are not capitalized, ordinary and normal rearrangement and alterations that are not capitalized, security, janitorial, building insurance, elevator service, and upkeep of grounds.

d. Allowable Interest on Office Space Costs (2 CFR §200.449)

Costs incurred for interest on borrowed capital or the use of a governmental unit's own funds, however represented, are unallowable except as specifically provided below.

i.) Office Space Interest Expense Limitations

Financing costs (including interest) paid or incurred on or after August 29, 1997, associated with the otherwise allowable costs of building acquisition, construction, or fabrication, reconstruction or remodeling completed on or after October 1, 1980, is allowable, subject to the following three conditions:

1A.) Bona Fide Third Party Funding

The financing is provided (from other than tax or user fee sources) by a bona fide third party external to the governmental unit,

2B.) Support Federal Awards

The assets are used in support of federal awards, and

3C.) Interest Earnings

Earnings on debt service reserve funds or interest earned on borrowed funds pending payment of the construction or acquisition costs are used to offset the current period's cost or the capitalized interest, as appropriate. Earnings subject to being reported to the Federal Internal Revenue Service under arbitrage requirements are excludable.

3. Allowable Costs for Leased Office Space

a. Allowable Office Space Costs for Leased Office Space

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

The allowable cost for non-county owned office space is the lower of the actual lease cost or a rate that is reasonable in light of such factors as rental costs of comparable property, if any; market conditions in the area; alternatives available; and, the type, life expectancy, condition, and value of the property leased.

b. Allowable Office Space Costs in Addition to Lease Costs

Office space costs that are allowable for reimbursement if not already provided for in the lease agreement are as follows but are not limited to utilities such as heating, lighting or cooling the building, normal repairs and maintenance that are not capitalized, ordinary and normal rearrangement and alterations that are not capitalized, security, janitorial, building insurance, elevator service, upkeep of grounds, and appraisal fees required by the County Department for cost comparisons.

c. Allowable Office Space Costs in a Sale and Leaseback (2 CFR §200.465)

Costs under sale and leaseback arrangements are allowable only up to the amount that would be allowed had the county continued to own the property.

d. Office Space Costs in a Less-Than-Arms-Length Lease (2 CFR §200.465)

Office space costs under a less-than-arms-length lease are allowable at the lower of the actual lease cost or an amount that is reasonable in light of such factors as rental costs of comparable property, if any; market conditions in the area; alternatives available; and the type, life expectancy, condition, and value of the property leased.

e. Authority Created to Acquire and Lease Office Space

Prior approval from the State Department Controller, 1570 Grant St. 303 E. 17th Avenue, Denver, CO 80203, is required for reimbursement of office space costs when the county creates an authority or similar entity to acquire and lease the office space to the County Department.

f. Capital Lease of Office Space

Costs under leases, which are required to be treated as finance capital leases under generally accepted governmental accounting principles, are allowable only up to the amount that would be allowed had the governmental unit purchased the property on the date the lease agreement was executed. This amount would include expenses such as depreciation or use allowance, maintenance, and insurance. Interest costs related to capital leases are allowable to the extent they meet the criteria for allowability of interest in section 1.010.113.3 of these rules.

4. Office Space Costs to be Excluded from Reimbursement

a. Office Space Funded by Others

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

Office space cost to be excluded is space that is funded by another State or private agency.

b. Sublet Office Space

Office space cost to be excluded is space sublet to a local, state, or federal agency or other user.

c. Used by Others

Office space cost to be excluded is space used solely by staff not authorized by the State Department.

d. Not Authorized for Use

Office space cost to be excluded is space used solely for functions not authorized by the State Department.

e. Not Incurred

Office space cost to be excluded is cost that has not been incurred by or paid from the County Department. Costs excluded are the value of donated materials, labor, or buildings. Other costs excluded are those paid from a grant, or a cost used as matching funds for a grant.

f. Idle or Empty Office Space [\(2 CFR §200.446\)](#)

Office space cost to be excluded is idle facilities or idle capacity unless necessary to meet fluctuations in workload.

1.010.19. Cost Accounting

1. Application of Costs Requires a Plan [\(Appendix V to Part 200\)](#)

Where an accumulation of indirect costs will ultimately result in charges to a federal award, a cost allocation plan [\(2 CFR §200.416\)](#), indirect rate proposal or application of random moment sampling shall be required.

2. Direct or Indirect Cost

a. Consistent Treatment

Each item of cost shall be treated consistently in like circumstances either as a direct or an indirect cost.

b. No Universal Rule

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

There is no universal rule for classifying certain costs as either direct or indirect under every accounting system. A cost may be direct with respect to some specific service or function, but indirect with respect to the federal award or other final cost objective.

3. Reasonable and Based on Generally Accepted Governmental Accounting Principles

All costs incurred shall be allocated to the program/activity/cost pool based on generally accepted governmental accounting principles and ~~OMB Uniform Guidance and the HHS Financial Guidance incorporated by reference~~. Direct costs shall be allocated to the project on a reasonable basis relating directly to the benefit or value added to the program. Indirect costs shall be allocated from indirect cost pools on a reasonable basis consistent with that of other similar or related projects/grants/activities.

4. All Inclusive Cost Accounting Plan

All activities that benefit from an indirect cost, including unallowable activities and services, shall receive an appropriate allocation of indirect costs.

a. Submission Requirements

i.) The large County is required to submit a plan to its cognizant agency for indirect costs annually. Appendix V to Part 200 D(2)

ii.) Where the small and medium County only receives federal funds as a subrecipient, they must develop a plan and maintain the plan and related supporting documentation for audit. Appendix V to Part 200 D(3)

5. Duplicate Claims for Reimbursement

a. Same Cost Not Allowed

Costs shall not be claimed for reimbursement by a county or County Department more than once.

b. Direct and ~~Also~~ Indirect

The same cost shall not be charged directly to a program and then charged again through a cost allocation plan or an indirect rate proposal.

c. Same Cost Reported to More Than One Program

The same cost shall not be charged to more than one program. For example, a staff person being reported and reimbursed from the county administration full-time may have some costs reimbursed through a special program, project, or grant. Any reimbursement received from the special grant must be reported as a reduction of expenditures, not as a source of revenue. Crediting the refund to the funding source from which the original reimbursement was made reduces expenditures.

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

6. Net of All Credits

Expenditures shall be claimed net of all credits, for example, volume and cash discounts, refunds, rental income, trade-ins, scrap sales, rebates or allowances, recoveries or indemnities on losses, insurance refunds, adjustments of overpayments, erroneous charges, etc.

~~7. Relative Benefits Received~~

~~A cost is allocable to a particular cost objective if the goods or services involved shall be chargeable or assignable to such cost objective in accordance with relative benefits received.~~

~~8. Cost Shifting to Fund Deficiencies~~

~~Any cost allocable to a particular federal award or cost objective shall not be charged to other federal awards to overcome fund deficiencies or to avoid restrictions imposed by law or terms of the federal awards, or for other reasons. However, this prohibition shall not preclude from shifting costs that are allowable under federal and State laws for two or more awards in accordance with existing program agreements.~~

1.010.20. Random Moment Sampling

1. Participation in Random Moment Sampling

Participation in random moment sample reporting shall be required by all County Department employees as determined by the Colorado Department of Human Services and the Department of Health Care Policy and Financing.

2. Purpose of Reporting Under Random Moment Sampling

The purpose of this reporting is to measure time expended by employees on certain programs in order to substantiate expenditures eligible for federal reimbursement. Reporting on random moment sampling measures the direct services provided by the County Departments. The results of the statistical analysis workload study areis used to distribute the indirect costs of the County Departments to direct service areas.

1.010.21. Countywide Cost Allocation Plan

1. Availability of Funds

Based on the availability of State and federal funds, a county's allowable indirect countywide costs shall be reimbursed.

2. Purpose of the Countywide Cost Allocation Plan

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

Counties shall prepare a countywide cost allocation plan that allocates indirect costs across the county operations relative to the benefit derived. Countywide cost allocation plans shall be used in determining rates, fees, or the cost of services provided, and by management in determining the cost effectiveness of a program or activity.

3. Countywide Cost Allocation Plan, ~~Cost Principles Availability~~

Certified countywide cost allocation plans must be prepared in accordance with the cost principles found in the ~~2 CFR Part 200 Office of Management and Budget Uniform Guidance and the HHS Financial Guidance (2014)~~, which is hereby incorporated by reference, or other cost principles as required by a specific grant.

4. Responsibility for the Countywide Cost Allocation Plan

Responsibility for preparation and submission of an indirect countywide cost allocation plan is with the county.

5. ~~Submittal of the~~ Countywide Cost Allocation Plan ~~Availability~~

~~Upon request, the County Department must submit an~~ An electronic copy of the countywide cost allocation plan ~~that is provided to the Colorado Department of Human Services annually and due on June 30 of each year shall be provided to the State Department, Audits County Relations Section via electronic mail to HCPF_CountyRelations@state.co.us HCPF_Audit@state.co.us.~~

1.010.22. Single Audit by an Independent Certified Public Accountant

Each county shall annually have a financial and, if required by the Uniform Guidance ~~and HHS Financial Guidance~~, a single audit made by a certified public accountant. An electronic copy of these audits shall be submitted to the State Department via electronic mail to ~~HCPF_CountyRelations@state.co.us HCPF_Audit@state.co.us~~. The report must be submitted no later than seven months following the end of the fiscal year. The county may request a 3-month extension to September 30th by filing the request with the State of Colorado, Office of the State Auditor. The State Department may suspend reimbursements of expenditures until such time as the audit report is received.

1.010.23. Audits by the Colorado Department of Health Care Policy and Financing

Information requested by the State Department personnel resulting from desk audits, site reviews or any other audit of County Department records, shall be provided by the County Department within the time frame specified in the request. If responses are not received by the due date (including State Department-

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

approved extensions), the State Department may suspend reimbursements of expenditures until such time as the responses are received. See audits as listed in 10 CCR 2505-5 1.020.13 for more guidance.

~~1. Desk Audits~~

~~The State Department is responsible for supervising the maintenance of fiscal and administrative controls to insure proper accountability for all expenditures of State and Federal funds. Desk audits made at the State Department may result in reducing a County Department claim for reimbursement by the amount of any incorrect claims for reimbursement.~~

~~2. Post Audits~~

~~Post audits are made by the State Department to verify the correctness of payments and benefit authorizations and may result in additional adjustments in County Department claims for reimbursement.~~

~~3.1. Recovery of Money Owed by a County~~

Pursuant to § 25.5-1-114, C.R.S., the State Department has the power to recover any monies owed by a County Department to the State Department by reducing the amount of any payments due from the State Department in connection with any program or activity. Unallowable costs which are identified during either desk audits or field audits will be disallowed despite similar costs which may have been reimbursed in the past.

~~4. Corrective Action Process for Financial Compliance Reviews Performed by the State Department~~

~~a. Copy to County Department Director~~

~~The State Department will mail one copy of the preliminary Financial Compliance Review report to the County Department Director.~~

~~b. Deadline for Factual Corrections~~

~~The County Department shall have 15 working days from the date of mailing to submit any factual corrections to the Financial Compliance Review report to the State Department, Audit Section, 1570 Grant Street, Denver, CO 80203 or electronically to HCPF_Audit@state.co.us. If no factual corrections are to be submitted, then the County Department shall have 30 working days from the date of mailing to submit a corrective action plan to the Audit Section.~~

~~c. Corrective Action Plan~~

~~The corrective action plan submitted by the County Department shall include a:~~

~~i) Written Corrective Action Plan Completion~~

~~Description, in writing, of how each non-compliance issue has been corrected; or~~

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

ii) ~~Information on the Corrective Action Planned~~

~~Plan, in writing, by which each non-compliance issue will be corrected. Such a plan must contain the following information for each non-compliance issue:~~

- ~~1) Identify the non-compliance issue,~~
- ~~2) List the specific action(s) to be taken to correct the non-compliance,~~
- ~~3) List the specific time frames for completion of each specific action, and~~
- ~~4) Provide the name of the contact person responsible for corrective action. The corrective action plan should proceed as rapidly as possible.~~

d. ~~Technical Assistance~~

~~The County Department may request technical assistance from the State Department in developing the corrective action plan. This request must occur within the 30-day period.~~

e. ~~Extension of Time~~

~~If the County Department needs additional time to develop a Corrective Action Plan, the County Department Director must submit a request in writing to the State Department, Audit Section, 1570 Grant Street, Denver, CO 80203 or electronically to HCPF_Audit@state.co.us, specifying the new timeframe and providing an explanation for the extension request.~~

i) ~~Review of Extension Request~~

~~The State Department, Audit Section, will review the request for time extension within five working days of receipt and respond to the County Department Director.~~

f. ~~Corrective Action Plan~~

i) ~~Accept or Reject the Corrective Action Plan~~

~~Within 30 working days of receipt of the Corrective Action Plan from the County Department, the State Department, Audit Section, will review and either accept or reject the corrective action plan.~~

ii) ~~Accepted Corrective Action Plan~~

~~If the plan is accepted, this decision will be indicated and the County Department will be notified via letter.~~

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

iii) ~~Rejected Corrective Action Plan~~

~~If the plan is rejected by the State Department, the County Department will be notified in writing of the decision along with a new due date for an amended plan to be submitted.~~

iv) ~~Accepted New Plan~~

~~Upon acceptance of the new plan, the State Department, Audit Section will follow procedures outlined in section 1.010.23 of these rules.~~

v) ~~Follow-Up~~

~~The State Department, Audit Section will verify that the County Department has complied with the corrective action plan.~~

vi) ~~Closure~~

~~The State Department, Audit Section, will send a closure letter to the County Department Director and any applicable financial adjustments to the State Department, Accounting Division to be processed in the State financial reporting system.~~

5. ~~Appeal Process for Financial Compliance Reviews Performed and Management Decisions Issued by the State Department, Audit Section~~

a. ~~Appeal in Writing~~

~~The appeal must be in writing and addressed to the Audit Manager of the State Department, 1570 Grant St., Denver, CO 80203, or submitted electronically to HCPF_Audit@state.co.us. The appeal must be received in the Audit Manager's office within 30 days from the date of Notice of Non-Compliance. The basis for the appeal shall be limited to a factual error in the report or an incorrect interpretation of law, rule, or regulations. The County Department may submit documents or evidence with its appeal. Within 30 days of receiving the appeal, the Audit Manager shall issue his/her final decision in writing. The final decision shall be mailed to the County Department. The effective date of the Audit Manager's final decision is the date it is signed.~~

b. ~~Secondary Appeal~~

~~A secondary appeal may be made in writing to the Executive Director of the State Department, 1570 Grant Street, Denver, CO 80203, after a final decision by the Audit Manager. 1.020. COUNTY ADMINISTRATIVE RULES

The incorporation by reference (as indicated within) throughout section 1.020 excludes later amendments to, or editions of, the referenced materials. Pursuant to C.R.S. § 24-4-103(12.5) the Department maintains copies of this incorporated text in its entirety available for public inspection during regular business hours, at: Colorado Department of Health Care Policy and Financing, 1570 Grant Street, Denver, CO 80203. Certified copies of incorporated materials are provided at cost upon request.

Incorporated materials are found in the following sections: 1.020.3.2.b and 1.020.6.7.

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

The definitions set forth at section 1.010.1 of these rules are also applicable to this section 1.020.

1.020.1. Purpose and Scope

1. Administrative Rules

These rules are the administrative rules for County Departments concerning the operations and the administration of Medical Assistance by County Departments, including but not limited to administrative internal controls, County Department Director responsibilities and oversight of compliance by the County Department with State Department and federal requirements. The State Department's authority for County Administrative rules is as allowed by C.R.S. §§ 25.5-1-114 and 117-122.

2. State Department ~~County~~ Responsibilities

As the federally designated single state agency, per 42 CFR Part 431.10(b), for the Medical Assistance Program in Colorado, the Colorado Department of Health Care Policy and Financing (State Department) is charged with administering and supervising the Medicaid State Plan. As the single state agency, the State Department issues rules and regulations that are binding on the County Department. Additionally, the State Department must exercise appropriate oversight over eligibility determinations, appeals and overall County Department operations. The State Department is federally prohibited from delegating to anyone other than its own officials, the authority to supervise the Medicaid State Plan and its delegation of eligibility and enrollment activities, or to develop or issue policies, rules, and regulations on program matters. The State Department has the sole authority to set statewide policies, rules and regulations and manage State Information Technology Systems.

3. County Department Responsibilities

The County Department is charged with the responsibility for administering all Medical Assistance Program eligibility and enrollment that were delegated by the State Department, in accordance with regulations and rules established by the State Department, per 42 CFR Part 431.107(b)(ii), activities in accordance with rules established by the State Department. The County Department will only be reimbursed for payments under the Colorado Medical Assistance Act and the administration of these programs if said programs are administered in accordance with the State Department rules as well as all other applicable federal, State, and local laws, rules and regulations. Per 42 CFR Part 431.107(b)(ii), the County Department is responsible for ensuring it complies with the regulations and rules of the State Department.

~~34.~~ Knowledge of Laws and Regulations

There are many federal, State, and local laws, rules and regulations that govern the administration of grants, the employment of personnel, and the health and safety of our lands and the general population. When in doubt as to the existence, applicability, or intent of any law, rule or regulation, County Department personnel shall make inquiries with the State Department and/or the applicable federal department or agency.

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

1.020.2. County Board of Human/Social Services Administrative Responsibilities

~~1. Membership Consists of County Board of Commissioners~~

~~The County Board of Social/Human Services shall consist of the board of the county commissioners in each county.~~

~~2. The County Board of Social/Human Services Is Separate from the Board of County Commissioners~~

~~The County Board shall perform its Medical Assistance duties, responsibilities, and activities separate and apart from the duties and responsibilities of the board of county commissioners and in accordance with rules and regulations adopted by the State Department for the administration of Medical Assistance activities in the counties.~~

3.1. Formal Agreements between the County Board and the State Department

a. To comply with 42 CFR Part 431.10(d), the County Board shall enter into a formal intergovernmental agreement with the State Department that authorizes the delegation of eligibility and enrollment activities for Medical Assistance Programs to the County Department. This agreement shall be in place for the duration of the State Department's delegation of eligibility and enrollment activities to the County Department.

b. The formal intergovernmental agreement between the County Board and the State Department shall include:

i. The relationships and respective responsibilities of the County Department and State Department, including but not limited to the respective responsibilities to effectuate the fair hearing as dictated by the federal government and State Department

ii. Quality control and oversight by the State Department, including any reporting requirements needed to facilitate such control and oversight

iii. Assurances that the County Department, to which the State Department has delegated authority to determine eligibility or conduct fair hearings, will comply with the State Department oversight and compliance requirements and monitoring

iv. For appeals, procedures to ensure that individuals have notice and a full opportunity to have their fair hearing conducted by either the County Department or State-level appeals.

v. Business process standards as dictated by the State Department; these business process standards shall ensure equitable administration by all County Departments as required per 42 CFR Part 431.50(b)

Business process standards shall be updated annually and issued through sub-regulatory guidance

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

vi ~~Performance metrics, targets and deliverables for any local share reimbursements, if any, as provided by the State Department~~

~~Performance metrics, targets and deliverables shall be updated annually and issued through sub-regulatory guidance~~

23. Cooperation and Reporting

The County Board shall cooperate with the State and federal government in any reasonable manner, in conformity with the laws of the State, which may be necessary to qualify for federal aid, including the preparation of plans, making reports in such form and containing such information as any federal agency may require from time to time, and compliance with such provisions as the federal government may from time to time find necessary to assure correctness and verification of the reports.

34. County Board Responsibilities

a. Appoint a County Department Director

i. The County Board shall appoint a County Department Director or shall appoint someone acting in the capacity of a director. At no time will the County Department be without the services of a County Department Director or an Acting Director.

ii. Upon appointment of a County Department Director, or someone acting in the capacity of the director, the County Board shall formally notify the State Department, within five (5) business days of the effective date of the appointment, of the individual appointed and contact information, including phone and email addresses. Notification should be emailed to hcpf_countyrelations@state.co.us

iii. The State Department will contact the appointed individual within five (5) business days of receiving the notification to provide support around the County Department Director's responsibilities for Medical Assistance administration.

iv. The County Board shall ensure the County Department Director completes an onboarding training for Medical Assistance administration, to be provided by the State Department, within six (6) months of the effective date of appointment.

~~b. Sign All Warrants~~

~~One member of the County Board shall sign all warrants or one member of the County Board shall have their facsimile signature on all social/human services warrants. In the case of a facsimile signature there shall be detailed written procedures that set forth internal administrative controls and internal accounting controls surrounding the application of the facsimile signature.~~

~~c. Approve All Expenditures~~

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

~~One member of the County Board, who shall be designated by resolution for that purpose, shall review and approve in writing the expenditure of salaries and expenses prior to the disbursement of funds. Such written approvals shall indicate the approval of the board of county commissioners and the County Board.~~

~~d. Financial Statements~~

~~The County Board is ultimately responsible for the preparation, content, completion and/or distribution of materially correct financial statements of the social/human services fund prepared by the County Department staff, or outside entities.~~

1.020.3. County Department Director Administrative Responsibilities

~~1. Secretary to the County Board~~

~~The County Department Director shall serve as secretary to the County Board unless the County Board otherwise appoints a secretary.~~

21. General Duties of the Director

a. Director Responsibilities

The County Department Director shall be charged with the executive and administrative duties and responsibilities of the County Department, subject to the policies, rules, and regulations of the State Department.

b. Continuity of Operations

1. To ensure the Continuity of Operations for Medical Assistance eligibility and enrollment, the County Department or Department Director shall be charged with drafting and implementing a Continuity of Operations Plan (COOP). The COOP shall address how the County Department continues to provide eligibility and enrollment services in the event of a disaster, public health emergency, or other emergency situation. Including situations where continuing services may not be possible such as system, phone or internet outages.

i. Plans may be submitted to HCPF at any time for pre approval

ii. Existing COOP plans may also be submitted for approval

iii. Plans may be drafted by the County, or County Department

2. The County Department COOP shall meet the minimum requirements dictated in both the Colorado Information Security Policies, and the Division of Homeland Security

and Emergency Management's Continuity of State Government Operations as outlined in 8 CCR 1507-40.

3. The County Department COOP Plans must also include the following data security controls.

a. Access Control & Authentication (CISP 001)

i. Multi-factor Authentication (MFA): Ensure that systems involved in eligibility and enrollment processes require multiple layers of authentication, especially when remote work or system access is needed during an emergency.

ii. Role-Based Access Control (RBAC): Ensure that only authorized personnel have access to sensitive information based on their job roles.

iii. Emergency Access Procedures: Establish secure emergency access protocols to systems or data in case of disruption. This could include backup admin credentials or access granted to specific individuals to ensure continuity.

b. Data Protection & Encryption (CISP 010)

i. Data Encryption: All sensitive data related to medical assistance eligibility and enrollment should be encrypted in transit and at rest to protect against unauthorized access or leaks, particularly when systems are functioning in crisis mode.

ii. Third-Party Access Control: If third-party vendors are involved in providing services or technology for eligibility and enrollment, ensure that their systems also comply with the COOP's security measures, including access controls, data protection, and incident reporting.

c. Contingency Plan (CISP 006)

i. Disaster Recovery Plan: Establish a robust disaster recovery strategy to restore services after an emergency. This includes system restoration, data recovery, and operational continuity.

d. Incident Response & Reporting (CISP 008)

i. Incident Management Protocols: Develop clear procedures for identifying, reporting, and addressing security incidents or breaches during a disaster or emergency. This should include escalation procedures and contact information for relevant stakeholders.

e. Training & Awareness (CISP 002)

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

i. Employee Training: Ensure that all staff are trained on the COOP, particularly on how to handle emergencies and maintain security controls under crisis conditions.

4. The COOP is not required to be submitted to the State Department but is subject to review during any compliance review as found in 10 CCR 2505-5 1.020.13.

c. County Department Contacts

By January 5 and July 5 of each calendar year, the County Department shall provide the most recent, updated contact information, including names, phone numbers and email addresses, for certain County Department employee types to the State Department. The employee types include contact information for the County Department Director, Deputy Director(s) and/or Eligibility Director(s) and other critical personnel determined by the State Department.

b. Responsibility for Staffing

~~The County Department Director, with the approval of the County Board, shall appoint such staff as may be necessary to administer Medical Assistance within the County Department. Such staff shall be appointed and shall serve in accordance with a merit system for the selection, retention, and promotion of the County Department employees as described in the county merit system. The salaries of the members of such staff shall be fixed in accordance with the rules and salary schedules prescribed by the county merit system. The county merit system shall conform to the Code of Colorado Regulations, 9 CCR 2502-1, Volume 2, and 5 CFR 900.601. 9 CCR 2502-1, Volume 2 (2021) and 5 CFR 900.601 (2021) are hereby incorporated by reference into this rule.~~

de. Reporting from the County Department to the State Department (CRS 25.5-1-118)

The County Department is required to report any information to the State Department, at such times and in which manner and form the State Department may from time to time direct. This includes any and all information that is pertinent to the County Department's role in Medical Assistance eligibility and enrollment. In these situations, the State Department shall provide proper noticing to the County Departments and allow a reasonable timeline for responses.

3. Responsibility for Staff Completion of Training

a. The County Department Director or designee shall ensure staff appointed to fulfill duties relating to the administration of Medical Assistance complete adequate initial hire training. The director shall also ensure staff appointed to fulfill duties relating to the administration of Medical Assistance complete ongoing training specific to Medical Assistance on an annual basis.

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

2. Staffing Safeguards for State-Owned Data

a. Personnel screenings are required for all employees of the County Department; personnel screenings must include criminal background checks on all staff with access to any State-owned Information Technology System in which either the State or the County Department grant access to County Department personnel.

b. When hiring an employee of the County Department, the County Department Director shall ensure that employees being hired from other County Departments have not had access to any State-owned Information Technology System terminated by those County Departments.

i. If a County Department has terminated access to any State-owned Information Technology System for any current or previous employee for reasons including but not limited to, fraud or conflicts of interest, the County Department is prohibited by the State Department from granting access to those State-owned systems

3. Responsibility for Staff Completion of Training

a. The County Department Director ~~or designee~~ shall ensure staff **hired** appointed to fulfill duties relating to the administration of Medical Assistance complete adequate initial hire, **and ongoing** training. Adequate initial hire training shall be completed prior to the County Department allowing the initial hire to conduct eligibility determinations or other related duties independently of any staff who previously completed initial hire training. **Ongoing** training shall be completed in keeping with provided guidance from the State Department.

b. **The director shall also ensure staff hired** appointed to fulfill duties relating to the administration of Medical Assistance complete ongoing training specific to Medical Assistance on an annual basis.

c. Adequacy of initial and ongoing training is determined by the State Department and the Staff Development Division and is reflected by new hire training plans and ongoing, mandatory trainings as communicated by the State Department.

i. The State Department shall provide proper notice to County Departments related to any mandatory training, and a reasonable timeframe for completion

d. The County Department Director **or designee** shall ensure that required training is obtained through the Staff Development Division (SDD) or an SDD-certified county trainer and that all County Department-created training has been submitted and approved by the State Department and the SDD. This includes the formalized trainer certification

c. Protection Against Discrimination from Other Entities

The County Department shall assure that other agencies, persons, contractors and other entities with which it does business are in compliance with the above prohibition of discrimination requirements on a continuing basis. The County Department staff are responsible for being alert to any discriminatory activity of other agencies and for notifying the State Department concerning the situation.

d. Notification by the State Department

The State Department, through its various contacts with agencies, persons, and referral sources, will be continuously alert to discriminatory activity and will take appropriate action to assure compliance by the offender. If corrective action is not taken, the State Department will notify the agency of termination of payments and association in regard to recipients or applicants. The County Department, on notification by the State Department, will also terminate payments to or association with any agency, person, or resource being used which has been found to continue discriminatory activity in regard to applicants or recipients.

e. Responsibility to Investigate Individual Complaints of Discrimination

An individual who believes he or she is being discriminated against may file a complaint with the County Department, the State Department, or directly with the federal government. When a complaint is filed with the County Department, the County Department Director is responsible for an immediate investigation of the matter and taking necessary corrective action to eliminate any discriminatory activities found. If such activities are not found, the individual shall be given an explanation. If the person is not satisfied, he or she is requested to direct his or her complaint, in writing, to the State Department, which will be responsible for further investigation and other necessary action consistent with the provisions of Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act (ADA), and the Age Discrimination Act of 1975, which are hereby incorporated by reference into this rule.

Department shall specify to the County Department the type of action plan that is required to be implemented.

a. Level 1 Improvement Action Plan

An informal plan implemented with technical assistance to address non-compliance and/or performance that may lead to non-compliance. This type of plan is not subject to fiscal sanctions as defined in section 1.020.12-15 (Sanctions). The State Department may convert a Level 1 Improvement Action Plan to a Level 2 Corrective Action Plan for any Level 1 plans that have failed to be adequately or timely implemented.

b. Level 2 Corrective Action Plan

A formal plan implemented with technical assistance to address non-compliance and/or performance that may lead to non-compliance. This type of plan is subject to fiscal sanctions as defined in section 1.020.12 (Sanctions). The State Department may communicate with the County Board regarding any Level 2 Corrective Action Plans.

45. Completion of Level 1 and Level 2 Action Plans:

Upon request of the State Department, the County Department shall complete a Level 1 Improvement Action Plan or Level 2 Corrective Action Plan. The Level 1 or Level 2 Action Plan submitted by the County Department shall include:

a. Non-compliance previously addressed

Description, in writing, of how both the individual and systemic root cause of each non-compliance issue has been previously corrected; the date in which the correction took place; the staff involved in the correction; and documentation supporting the correction that took place.

b. Non-compliance to be addressed

Plan, in writing, explaining how each root cause, both individual and systemic, of the non-compliance issue will be corrected. Such a plan must contain the following information for each non-compliance issue:

- i. Identify the non-compliance issue,
- ii. List the specific action(s) to be taken to correct the non-compliance,
- iii. List the specific time frames for completion of each specific action not to exceed six months without the written consent of the State Department, and

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

- iv. Provide the name of the contact person responsible for each corrective action. The corrective action plan should proceed as rapidly as possible to correct all non-compliance.
- v. Provide documentation demonstrating that the actions to address non-compliance will be completed.

c. Technical Assistance

The County Department may request technical assistance from the State Department in developing either a Level 1 or Level 2 Plan. This request must occur within 15 calendar days of notification to the County Department of the requirement to complete a Level 1 or Level 2 Plan.

d. Timeframe to Complete Plan and Extension of Time

i. Timeframe to Complete Plan

If notified of the requirement to complete a Level 1 or Level 2 Action Plan, the County Department shall complete such Plan within 30 calendar days of receiving notification from the State Department.

ii. Extension of Time

If the County Department needs additional time to develop a Level 1 or Level 2 Action Plan, the County Department Director must submit a request electronically to the State Department at HCPF_CountyRelations@state.co.us specifying the new timeframe requested and providing an explanation for the extension request.

iii. Review of Extension Request

The State Department will review the request for time extension within five business days of receipt and respond to the County Department Director.

56. Acceptance or Rejection of a Level 1 or Level 2 Action Plan

Within 30 calendar days of receipt of the proposed Level 1 or Level 2 action plan from the County Department, the State Department will review and either accept or reject the proposed Level 1 or Level 2 Action Plan.

a. Accepted Level 1 or Level 2 Action Plan

If the submitted Level 1 or Level 2 action plan is accepted by the State Department, the County Department Director will be notified electronically of the approval within ten calendar days and implementation of the plan may begin immediately.

b. Rejected Level 1 or Level 2 Action Plan

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

If the submitted Level 1 or Level 2 action plan is rejected by the State Department, the County Department Director will be notified electronically of the decision and will be required to resubmit a Level 1 or Level 2 Plan after participating in technical assistance provided by the State Department to address the individual and systemic root cause of non-compliance.

i. Initial Technical Assistance Meeting

The County Department is required to successfully complete an initial technical assistance meeting within 15 calendar days of receipt of the Level 1 or Level 2 Plan rejection.

ii. Request for Time Extension

If the County Department cannot complete the initial technical assistance meeting within 15 calendar days, the State Department will review the request for time extension within five business days of receipt and respond to the County Department Director.

67. Ongoing Monitoring of any Level 1 or Level 2 Plan Accepted New Plan

Upon acceptance of the Level 1 or Level 2 Plan, the State Department begins monitoring the implementation of the plan. Monitoring may include but is not limited to routine reviews of reports, field observations, periodic check-ins, plan amendments, and technical assistance.

a. Follow-Up

The State Department will verify that the County Department has complied with the approved Level 1 or Level 2 Plan. The County Department shall submit any documentation needed to verify compliance with the accepted Plan.

b. Non-Compliance with Accepted Plan

If the State Department has verified that the County Department has not complied with the accepted Level 1 or Level 2 Plan, then:

i. The State Department shall convert a Level 1 Improvement Action Plan to a Level 2 Corrective Action Plan

ii. The State Department shall implement fiscal sanctions for non-compliance on a Level 2 Corrective Action Plan as defined in section 1.020.42-15 (Sanctions).

c. First Notification of Fiscal Sanctions

Yellow Highlight = Change made in response to stakeholder feedback, or changes made since the last draft

Green Highlight = Additional feedback needed / pending change

The first notification of fiscal sanctions due to non-compliance on a Level 2 Corrective Action Plan shall be sent to the County Department Director sixty calendar days prior to the implementation of fiscal sanctions. The first notification shall include the dollar amount of fiscal sanctions, or any other sanction implemented per section 1.020.12 (Sanctions) and the date the sanction will be implemented. The County Department shall have thirty calendar days after notification of fiscal sanctions to cure non-compliance with the Level 2 Plan to avoid implementation of fiscal sanctions.

d. Second Notification of Fiscal Sanctions

The second notification of fiscal sanctions due to non-compliance on a Level 2 Corrective Action Plan shall be sent to the County Department Director thirty calendar days prior to the implementation of fiscal sanctions. The second notification shall include the dollar amount of fiscal sanctions, or any other sanction implemented per section 1.020.12 (Sanctions) and the date the sanction will be implemented. The County Department shall have 15 calendar days to cure non-compliance with the Level 2 Plan to avoid fiscal sanctions.

e. Third Notification of Fiscal Sanctions

The third notification of fiscal sanctions due to non-compliance on a Level 2 Corrective Action Plan shall be sent to the County Department Director five (5) calendar days prior to the implementation of fiscal sanctions. The third notification shall include the dollar amount of fiscal sanctions, or any other sanction implemented per section 1.020.12 (Sanctions) and the date the sanction will be implemented. After receiving a third notification, the County Department will no longer be able to cure non-compliance with the Level 2 Plan and fiscal sanctions will be implemented.

f. Non-Reversal of Fiscal Sanctions after Third Notification

Compliance with the Level 2 Plan after fiscal sanctions have been implemented shall cure the non-compliance with the Level 2 Plan but will not reverse fiscal sanctions implemented from non-compliance.

g. Closure of an Accepted Plan

Upon completion of a Level 2 Corrective Action Plan and verification of completion by the State Department, a closure letter will be sent to the County Department Director.

h. Appeals of Non-Compliance

The County Department shall appeal any first or second notification of non-compliance within the timeframe specified in section 1.20.11.6.b (Non-Compliance with Accepted Plan) by sending an electronic communication to the State Department at HCPF_CountyRelations@State.co.us. The basis for the appeal shall be limited to a

factual error in the report or an incorrect interpretation of law, rule, or regulations. The County Department may submit documents or evidence with its appeal. The third notification of non-compliance is not subject to appeal by the County Department. Within 10 calendar days of receiving the appeal, the State Department shall issue a final decision in writing, which will be sent electronically to the County Department Director. The effective date of the final decision is the date it is signed.

i. **State Department Delay of Fiscal Sanctions**

The State Department may, at its own discretion, provide a one-time delay on the imposition of any fiscal sanction as described in 10 CCR 2505-5 1.020.14, if the County Department has demonstrated progress towards resolution of any Level 2 Corrective Action Plan. The State Department will determine an appropriate amount of time to delay imposing any sanctions to allow for the County Department to successfully complete its Level 2 Corrective Action Plan.

The County Department may be required to provide documentation demonstrating reasons outside of the County Department's control that have prevented the County Department from successfully resolving its Level 2 Corrective Action Plan.

1.020.13512 Sanctions

If the County Department does not meet the requirements of 10 CCR 2505-10 sections 8.000, 8.100, 8.400, 8.500, 8.940 through 8.943, and 8.1000; 10 CCR 2505-5 section 1.010 and 1.020; or 10 CCR 2505-3 sections 100, 300, 400, and 600; or fails to comply with an approved Level 2 Corrective Action Plan as described in section 1.020.14.314.4 (Improvement Action Plans and Corrective Action Plans), the State Department may impose the following sanctions:

1. **Level 1 Sanction:** Disallowance of State and federal funds for reimbursement of the salary of the County Department Director; if no portion of the County Department Director's salary is charged to state and federal funds, then the State Department will go to a Level 2 Sanction
2. **Level 2 Sanction:** ——— The State Department's undertaking of the administration of the Medical Assistance program for which the County Department has not met State and federal requirements or the requirements of a Level 2 Corrective Action Plan; and
3. Any other action which may be necessary or desirable for carrying out the provisions of Title 25.5 of the Colorado Revised Statutes and its implementing regulations.
