Frame 2

Category 1: Behavioral Health

Initiatives that improve access to behavioral health care services and destigmatize conversations around behavioral health to support prenatal, postpartum and family wellbeing.
Ex: Coverage of Recreation Center Fees

- bilingual (spanish)/bicultural providers or BH navigators being trained/funded
- health equity and SDOH, use of CHWs & patient's navigators to improve access to care & services. (Rio Grande County PHA)
- Behavioral Health Navigation Workforce
- funding to support bilingual & bicultural BH providers/navigators (spanish)
- Determine gaps and create a plan to address gaps in ABA & other services, esp. for children who are not Medicaid eligible
- Financial support or other incentives to increase # of spanish-speaking BH providers (could even consider housing assistance as this is a significant barrier in many communities)
- preschool based BH providers to assist w/ families in need
- preschool based social/emotional screen, early identification of challenges and referral to BH providers

Stakeholder Engagement

What the Legislation Says:

- Engage with impacted individuals
- Stakeholder meeting requirements
- Health Services Initiative (HSI) priorities

“Look a Like” Program

New Medicaid & CHP+
look-alike program

Children under 19
Pregnant people

Meet all eligibility
requirements for Medicaid
& CHP+ **except for**
immigration

Implement no later than
Jan 1, 2025
Reporting begins **2024**
JBC/SMART

Benefits

All Medicaid and CHP+
benefits should be the
same for new populations

Presumptive **Eligibility**
available to new
populations

Infrastructure

All infrastructure should
be the same for expansion
populations

Consistency

Coverage

Extends 12-month
continuous coverage to
pregnant people

Eligibility

Colorado Medicaid **Emergency Medical Services (EMS)**

Emergency Medical Services

Emergency Medical Services (EMS) covers emergency services and family planning services for individuals who do not meet the citizenship requirements of Medicaid

EMS: Member Eligibility

- Applicants must meet all Medicaid requirements with exception to citizenship status
- Members will have 12 months of coverage unless there is a change of circumstances
- SSN is asked for on application, but not required for EMS eligibility
- EMS benefits are currently protected from public charge assessments.

People who may qualify for EMS include, but are not limited to:

- Deferred Action for Childhood Arrivals (DACA) recipients
- People without legal immigration status.
- Non-immigrant visa holders such as tourists and students
- People with Temporary Protected Status
- Adult legal permanent residents (green card holders) who have not been in the U.S lawfully for at least five years

EMS: Reproductive Health Care Program

(SB21-009)

- Effective July 1, 2022
- Expansion of the existing Emergency Medical Services (EMS) Benefit to cover family planning services for individuals who are ineligible for Medicaid due to their citizenship status regardless of gender or age and without a copay.

EMS: Covered Services

Emergency Services	Family Planning Services
Services for life- or limb- threatening medical emergencies such as: ● Life-threatening health emergencies (such as chest pain, heart attack, COVID-19, etc.) ● Labor and delivery (not including prenatal or postpartum care) ● Dialysis for End-Stage Renal Disease at a freestanding dialysis center	Services to delay, prevent or plan a pregnancy such as: ● A 12-month supply of birth control ● Long-acting reversible contraception (LARC) ● Sterilization services ● Basic fertility assessments ● Birth control counseling
<i>Must be indicated as an emergency service by a provider</i>	<i>Must be indicated as a family planning service by a provider.</i>

HSI Workgroup Agenda

- 1:00 - 1:10** Welcome and introductions
- 1:10 - 1:20** HSI workgroup overview
- 1:20 - 1:50** HSI Miro activity
- 1:50 - 2:00** Discussion

Requirement I

Must **improve the health of eligible children**, but can also be used for children of any income

[spanish]

- HSIs must directly benefit the health of children under the age of 19 who are eligible for CHP+ or Medicaid
- HSIs can also serve all children regardless of income

Requirement 2

HSIs can be funded within the 10% allotment for administration from the CHP+ program

[spanish]

- 10% of the funding of CHP+ is set aside for administration- this can be used to fund HSIs

Requirement 3

Bill specifies a community engagement process for determining HSI priorities

[spanish]

- How the money will be used must be determined by involving the community that will benefit from the HSI
