

## Network Report

UPDATED: 3/30/19

RAE Name: Colorado Access Region #5

Period Covered Q3 SFY18-19

Please indicate below any areas within the region where the network does not meet the choice of 2 providers within contracted time and distance standards. Please describe:

- What actions have been taken to address network deficiencies,
- Whether any deficiencies were resolved during the past quarter and how, and
- What ongoing actions the RAE is implementing to address unresolved network deficiencies while supporting client access and mitigating problems.

### 1. Physical Health:

*Physical Health Partner is someone who can bill for services or prescribe medications.*

**COA Response:** Currently no deficiencies exist within Region 5, however, Colorado Access continues to assess its network and the provider community to determine if there are additional providers with whom we may contract and add to our network.

### 2. Behavioral Health

*Licensed Behavioral Clinician means a provider who is clinical social worker licensed pursuant to CRS 12-43-404, marriage and family therapist licensed pursuant to CRS 12-43-504, professional counselor licensed pursuant to CRS 12-43-603, addiction counselor licensed pursuant to CRS 12-43-804, or psychologist (Psy.D/Ph.D) licensed pursuant to CRS 12-43-304.*

*Licensed Behavioral Health Practitioner means a provider who is advanced practice nurse licensed pursuant to CRS 12-38-111.5, physician/psychiatrist licensed pursuant to CRS 12-36-101, or physician assistant license pursuant to CRS 12-36-106.*

**COA Response:** Currently no deficiencies exist within Region 5, however, Colorado Access continues to assess its network and the provider community to determine if there are additional providers with whom we may contract and add to our network.

UPDATED: 3/30/19

RAE Name: Colorado Access Region #5 Period Covered Q3 SFY 18-19

**2. Please indicate the practitioner to client ratios in each county of your region**

PHYSICAL HEALTH					
County	Number of Practitioners	Number of Enrolled Members	Ratio for Adult Practitioner	Ratio for Pediatric Practitioner	Ratio for-Mid Level Adult Practitioner
Denver	837	123,797	1:302	1:240	1:341
<b>Sub-Total</b>	<b>837</b>	<b>123,797</b>	<b>1:302</b>	<b>1:240</b>	<b>1:341</b>

**Note: The number of practitioners represents a unique count of practitioners by county. Many of these practitioners are both adult and pediatric providers. However, there are a total of 108 practitioners who only see pediatric members. There were 75,571 members who were excluded from the overall membership total due to these members being attributed to Denver Health MCO. The number of members enrolled is calculated based on the attributed provider's county.**
