

ACC Network Adequacy Report

7/31/19

RAE Name: Colorado Access Region #5 Period Covered Q4 SFY 18-19

Please indicate below any areas within the region where the network does not meet the choice of 2 providers within contracted time and distance standards. Please describe:

- What actions have been taken to address network deficiencies,
- Whether any deficiencies were resolved during the past quarter and how, and
- What ongoing actions the RAE is implementing to address unresolved network deficiencies while supporting client access and mitigating problems.

1. Physical Health:

Physical Health Partner is someone who can bill for services or prescribe medications.

Colorado Access Response: Currently no deficiencies exist within Region 5. Colorado Access continually assesses its network and the provider community to determine if there are additional providers with whom it may contract and add to its network, and have added Primary Care Medical Providers (PCMPs) during the SFY 18-19. Colorado Access welcomes any willing state-validated provider to apply for participation in its network.

2. Behavioral Health

Licensed Behavioral Clinician means a provider who is clinical social worker licensed pursuant to CRS 12-43-404, marriage and family therapist licensed pursuant to CRS 12-43-504, professional counselor licensed pursuant to CRS 12-43-603, addiction counselor licensed pursuant to CRS 12-43-804, or psychologist (Psy.D/Ph.D) licensed pursuant to CRS 12-43-304.

Licensed Behavioral Health Practitioner means a provider who is advanced practice nurse licensed pursuant to CRS 12-38-111.5, physician/psychiatrist licensed pursuant to CRS 12-36-101, or physician assistant license pursuant to CRS 12-36-106.

Colorado Access Response: Currently no deficiencies exist within Region 5. Colorado Access continually assesses its network and the provider community to determine if there are additional providers with whom it may contract and add to its network. Colorado

RAE Name: Colorado Access Region #5 Period Covered Q4 SFY 18-19

2. Please indicate the practitioner to client ratios in each county of your region

PHYSICAL HEALTH					
County	Number of Practitioners	Number of Enrolled Members	Ratio for Adult Practitioner	Ratio for Pediatric Practitioner	Ratio for Mid-Level Practitioner
Denver	854	123,797	1:291	1:329	1:383
Total	854	123,797	1:291	1:329	1:383

Note: This report represents Colorado Access membership. The number of practitioners represents a unique count of practitioners by county. Many of these practitioners are both adult and pediatric providers. However, there are a total of 38 practitioners who only see pediatric members.
