ARPA 1.05 Provider Training Grant

The Department of Health Care Policy & Financing (HCPF) is offering short-term grant funding to incentivize and expand training opportunities for the Home and Community-Based Services (HCBS) workforce with the goal of increasing recruitment and retention.

Purpose of the grant:

- Support specialization and advancement opportunities for the HCBS workforce
- Provide more training opportunities and incentives for workers to gain higher-level skills
- Cover the cost of training, training-specific materials, and limited program costs

This grant cannot be used to cover the typical costs of required training for new employees or for routine recertification/training.

Maximum Award: \$100,000

Eligible applicants include:

- Currently enrolled Home and Community-Based Services (HCBS) waiver providers
- Training vendor/provider that develops/delivers training/specialization for the HCBS workforce
- Certified Nurse Aides and Home Health Aides within Long-Term Home Health
