Engagement Opportunities

- **Short/Medium Timeline**
  - Implement an improved definition for complex pediatrics.
  - Care coordination consistency (Fall 2022).
  - Implementation of 50+ bills impacting HCPF.
  - Behavioral Health Administration (BHA).
  - BH Transformational Task Force.
  - ARPA Funds Implementation.
  - PHE Unwind.
- **Medium/Long Timeline**
  - Trial different regional approaches and learn from them to develop a predictive risk model all RAEs can use (ideally by July 2023).
- **Long Timeline**
  - ACC 3.0.

More Immediate Priorities

- Implement an improved definition for complex pediatrics.
- Care coordination consistency (Fall 2022).
- Implementation of 50+ bills impacting HCPF.
- Behavioral Health Administration (BHA).
- BH Transformational Task Force.
- ARPA Funds Implementation.
- PHE Unwind.

Where does PIAC want to focus efforts?

What process should we take to tackle these priorities?

- Instruction from the Department
- Subcommittee involvement
- Regional PIAC/MEAC involvement

Thank you!
