Feb. 19, 2025
9:30 A.M. to 12:00 P.M.

PIAC Focus Areas:

1. Improving the ACC by centering member experience and addressing drivers of health outcomes, including social determinants, through care coordination and tailored approaches for specific conditions;

2. Improving the delivery of behavioral health services and supporting alignment with the Behavioral Health Administration;

3. Driving equitable outcomes, addressing systemic barriers, and reducing health care disparities;

4. Monitoring and responding to the situational factors that impact the ACC (e.g., public health emergencies, legislation, federal regulations, etc.); and

5. Advising on the design and implementation of ACC Phase III.

Meeting Goals:

Goals of the meeting are to discuss the ACC Phase III evaluation plan, ACC Phase III member communications, implementation of comprehensive and essential safety net provider types, and disability competent care. The Department of Health Care Policy and Financing (HCPF) will also share a brief update regarding federal collaboration, and PIAC subcommittees will report on their recent meetings.
