Feb. 18, 2026
9:30 a.m. to 12 p.m.

PIAC Focus Areas:

1. Improving the ACC by centering member experience and addressing drivers of health outcomes, including social determinants, through care coordination and tailored approaches for specific conditions;
2. Improving the delivery of behavioral health services and supporting alignment with the Behavioral Health Administration;
3. Driving equitable outcomes, addressing systemic barriers, and reducing health care disparities;
4. Monitoring and responding to the situational factors that impact the ACC (e.g., public health emergencies, legislation, federal regulations, etc.); and
5. Advising on the design and implementation of ACC Phase III.

Meeting Goals:

The goals of the meeting are to hear updates from the three PIAC subcommittees, review initial data as part of the ACC Phase III Evaluation Plan and learn about the Medicaid Sustainability Framework created by the Department of Health Care Policy and Financing (HCPF).
