September 17, 2025
9:30 a.m. to 12 p.m.

PIAC Focus Areas:

1. Improving the ACC by centering member experience and addressing drivers of health outcomes, including social determinants, through care coordination and tailored approaches for specific conditions;
2. Improving the delivery of behavioral health services and supporting alignment with the Behavioral Health Administration;
3. Driving equitable outcomes, addressing systemic barriers, and reducing health care disparities;
4. Monitoring and responding to the situational factors that impact the ACC (e.g., public health emergencies, legislation, federal regulations, etc.); and
5. Advising on the design and implementation of ACC Phase III.

Meeting Goals:

The goals of the meeting are to summarize the impact of budget reductions on the ACC program, share ACC enrollment updates, develop recommendations about ACC deliverables to post on the HCPF website, and hear from RAEs about network management efforts. There will also be time for public comment and PIAC subcommittee updates.
