

Colorado's Title XXI Section 1115 Waiver Adult Prenatal Demonstration

Presented by: Amy Ryan, MPH

Jeffrey Jaskunas, MS, MBA

COLORADO

Department of Health Care
Policy & Financing

Demonstration Objectives

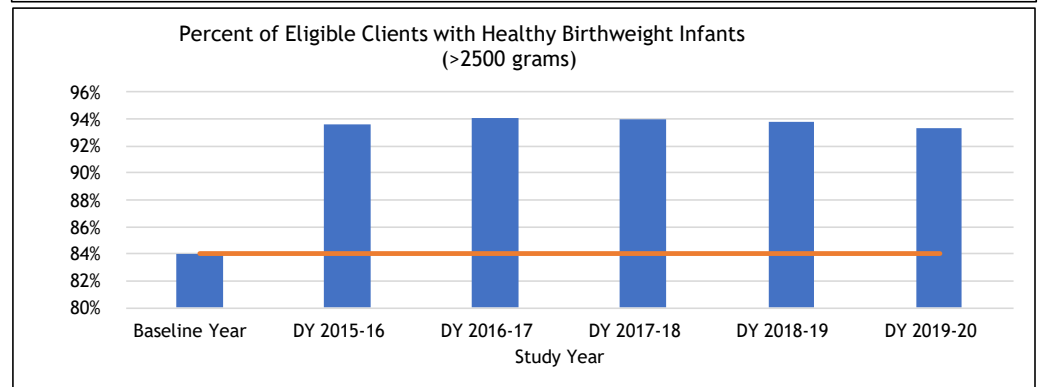

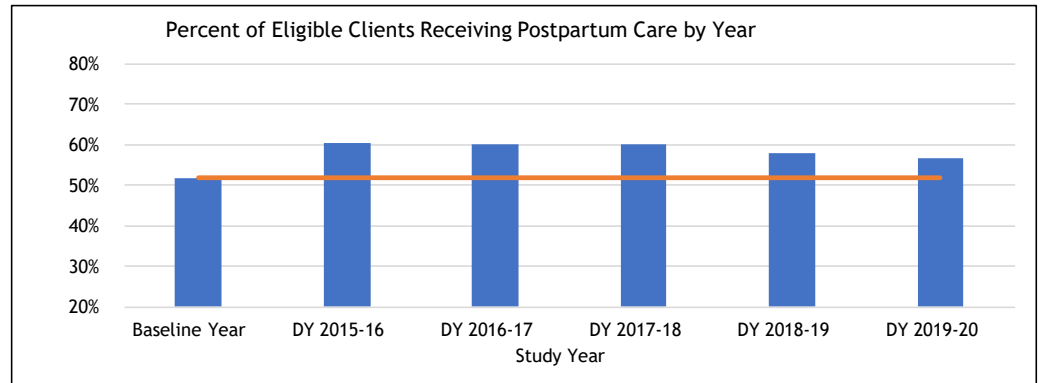

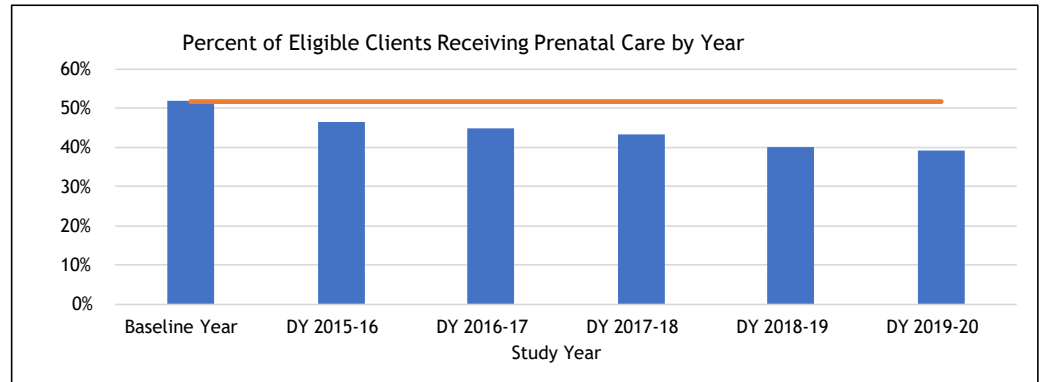

- The Adult Prenatal demonstration was last renewed from December 21, 2020 - July 31, 2025.
- Demonstration Objectives:
 - Decrease the uninsurance rate for pregnant women;
 - Increase prenatal and postpartum care for pregnant women enrolled in the demonstration; and;
 - Increase the number of healthy babies born to pregnant women enrolled in the demonstration.

Prior Demonstration Results

Evaluation Metrics - Percent of Clients by Demonstration Year

New Evaluation Design

- The proposed evaluation design maintains the same goals of the demonstration.
- Targeted outcomes were divided into short-term and long-term outcomes.
- Three additional policy objectives were added to the proposed evaluation design:
 - Maintain Continuity of Enrollment,
 - Maintain Access to Care, and
 - Maintain or Improve Health Outcomes

Hypotheses and Research Questions

Hypothesis	Research Question	Outcomes	
		Short-term	Longer-term
H.1: Trends in continuity of enrollment in the demonstration continue (or do not worsen) for pregnant women in the current waiver period.			
	<i>Q #1: Does the waiver improve or maintain the uninsured rate of pregnant women in Colorado during the demonstration period?</i>	X	X
H.2: Trends observed in access to health care for pregnant women continues (or do not worsen) in the current waiver period.			
	<i>Q #2: Do CHP+ members achieve similar (or improved) access and health outcomes in the current waiver period?</i>	X	X
H.3: Trends observed in the health of the mother continues (or do not worsen) in the current waiver period.			
	<i>Q #3: Do CHP+ members achieve similar (or improved) pregnancy outcomes in the current waiver period?</i>	X	X
H.4: Trends observed in the number of healthy babies (i.e., over 2500 grams) continues (or do not worsen) in the current waiver period.			
	<i>Q #4: Do CHP+ members achieve similar (or improved) birth outcomes in the current waiver period?</i>		X

Alignment of Hypotheses with Demonstration Goals

Exhibit II.5

Alignment of Hypotheses with Demonstration Goals

Hypotheses			
H.1	H.2	H.3	H.4
Continuity of Enrollment	Access to Health Care	Outcomes for Mother	Outcomes for Baby

Waiver Goals

G.1	Decrease the uninsurance rate for pregnant women	X			
G.2	Increase prenatal and postpartum care for pregnant women enrolled in the demonstration		X		
G.3	Increase the number of healthy babies born to pregnant women enrolled in the demonstration			X	X
