# Tier 3 Reporting Practices

Subset of 12 entities called **“Tier 3 Reporting Practices”** report care coordination engagements and outreach activities. Entities serve more than 100,000 members.

- Care Coordination Engagement Reporting
- Transitions of Care Member Engagement
- Care Coordination Collaboration and Referrals

# Strategies for Attribution

*Members attributed to PCMP either by choice or claims history. Members will no longer be attributed based on home address or familial association.*

- Identify panel openings
- Share PCMPs with availability; supporting member choice

**PCMP**

- Verify PCMP—every member, every time!
- Navigation support finding and aligning with PCMP

**Care Coord.**

- Support finding a PCMP
- Connect with the Enrollment Broker
- Part of MOUs/contracts

**CBO**

**Call Center**

- Text, IVA, live call campaigns
- Verify PCMP—every member, every time!

# Behavioral Health Network Overview

## **Maintain an open BH network focusing on network adequacy and member choice:**

- Total Contracted Practitioners: 9,051
- Accepting New Members: 8,678
- Offering After-Hours Appointments: 6,447
- Telehealth Practitioners: 1,795

As the program evolves, new contracting opportunities continue to present. Current examples: Colorado Systems of Care and Behavioral Health Secure Transportation

## **CCHA Provider Support:**

- Monthly open mic sessions, new provider training, and newsletters.
- Digital Provider Enrollment leverages Availity and CAQH to cut down on paperwork and speed up the contracting process.
