

Dear Case Manager,

A kick-off presentation about the upcoming Care & Case Management (CCM) system was presented at the February 4, 2021, Case Management Agency Quarterly Meeting.

There were more attendees than anticipated and it was decided to present the information again to give more people a chance to attend. This presentation will be a repeat of the one given on February 4, 2021, so attendees of that meeting are not required to attend again.

Help Spread the Word About This Course

Colorado is offering an exciting new free class for people with disabilities receiving Home and Community-Based Services (HCBS) to learn to lead their own Person Driven Plan. The class is designed for all people with disabilities and uses the principles of Universal Design for Learning (UDL) to make sure all participants can access the course.

This course is taught live via Zoom during the pandemic. Refer to this [flyer](#) for dates and more details.
