Multi-Factor Authentication (MFA) Summary

Single-Factor authentication (username/password) is not sufficiently secure when handling sensitive Personal Health Information or Personally Identifiable Information. Multi-Factor authentication is required to properly secure access to sensitive information.

What is MFA?

Multi-Factor authentication (MFA) is an authentication method that requires users to verify identity using multiple independent methods. Instead of just asking for a username and password, MFA implements additional credentials like a pin sent via email or text, or a verification call made to a pre-registered phone number.

How Multi-Factor Authentication Works

The goal of MFA is to provide a multi-layered defense system. This helps ensure that the users who access your system are who they say they are. Even if one factor is compromised, there are still more barriers to breach.

For example, to log in to a secure program, a user would need to type a password and enter another number from a text, phone call or email. Only the correct password combined with the correct number from the additional authentication factor would give a user access.

Customer/Provider Login

Customer and provider users are any users who do not have an Atrazzo account or acentra.com email address. These users should use the login button under the **Customer/Provider** heading on the right-hand side of the login page.

The screenshot shows the Acentra Health login page. At the top is the Acentra Health logo. Below it is the heading "LOGIN OPTIONS". There are two main login sections:

- Acentra Health Employees:** Includes the text "Use this login button if you have a Acentra Health domain account." and a "LOGIN" button. Below the button is a "Remember Me" checkbox.
- Customer/Provider:** Includes the text "Use this login button if you are a customer or provider user." and two buttons: "LOGIN WITH PHONE" and "LOGIN WITH EMAIL". Below these buttons is a "Remember Me" checkbox.

At the bottom of the login area, there are three lines of text:

- "If you don't already have a Acentra Health account, you can [register here](#)."
- "If this is your first login with multi-factor authentication, [click here](#) to complete your registration."
- "Having trouble logging in? [Click here](#)."

After entering the Atrezzo Provider Portal URL (<https://portal.kepro.com/>), the login page will display.

Current Portal User; MFA Registration Only

As a Provider who uses Atrezzo currently, you will only need to complete MFA registration for the new portal. You will utilize your existing username and password. The below instructions will guide you through completing Multi-Factor Authentication (MFA) Registration.

From the login screen, click the link to complete the multi-factor authentication registration at your first login. This will be a one-time registration process.

If this is your first login with multi-factor authentication, [click here](#) to complete your registration.

Having trouble logging in? [Click here](#).

To begin the registration process,

enter your Atrezzo username

and password and click **Login**.

Select the best multi-factor authentication method for you, [Phone](#) or [Email](#), following the instructions below.

NOTES:

- 1) When choosing an authentication method, you will be required to enter an email address for both options. Only choose the Email option if you do not have access to a direct phone line (landline or mobile).
- 2) A phone registration will require a direct line with 10-digits; extensions are not supported.

Phone Verification

Click the **PHONE** button

Enter your work email address, then click **Send Verification Code**. A code will be sent to your email.

IMPORTANT: Do NOT enter anything in the Password section (this is not needed at this step).

The screenshot shows the Acentra Health registration interface. At the top, there is a back arrow and the text 'Cancel'. Below that is the Acentra HEALTH logo. A red box highlights the 'Email Address' input field. A red arrow points to the 'Send verification code' button. Below the button are two input fields for 'New Password' and 'Confirm New Password', with a red circular overlay containing the text 'DO NOT ENTER' over both. At the bottom is a light blue 'Create' button.

Enter the verification code sent to the email address entered; then click **Verify Code**.

IMPORTANT: Do NOT enter anything in the Password section (this is not needed at this step).

The screenshot shows the Acentra Health registration interface at the 'Verify code' step. At the top, there is a back arrow and the text 'Cancel'. Below that is the Acentra HEALTH logo. A message states: 'Verification code has been sent to your inbox. Please copy it to the input box below.' Below this is an input field containing the email address 'demohospital18@yahoo.com'. A red box highlights the 'Verification Code' input field. A red arrow points to the 'Verify code' button. To its right is a 'Send new code' button. Below these are two input fields for 'New Password' and 'Confirm New Password', with a red circular overlay containing the text 'DO NOT ENTER' over both. At the bottom is a light blue 'Create' button.

After email verification is complete, enter a new password, confirm the password, and click **Create**.

This is creating a password for the Multi-Factor Authentication Registration.

Enter your phone number and select **Send Code** or **Call Me**.

NOTE: When phone call is selected, the user will receive a phone call on the registered phone number and will be prompted to press the # key to complete authentication.

For SMS text authentication, enter the verification code received. The page will automatically refresh.

Login With Phone

Use these instructions if you have already registered MFA with a direct phone number and want to login via SMS text or voice call.

From the login page, click **LOGIN WITH PHONE**

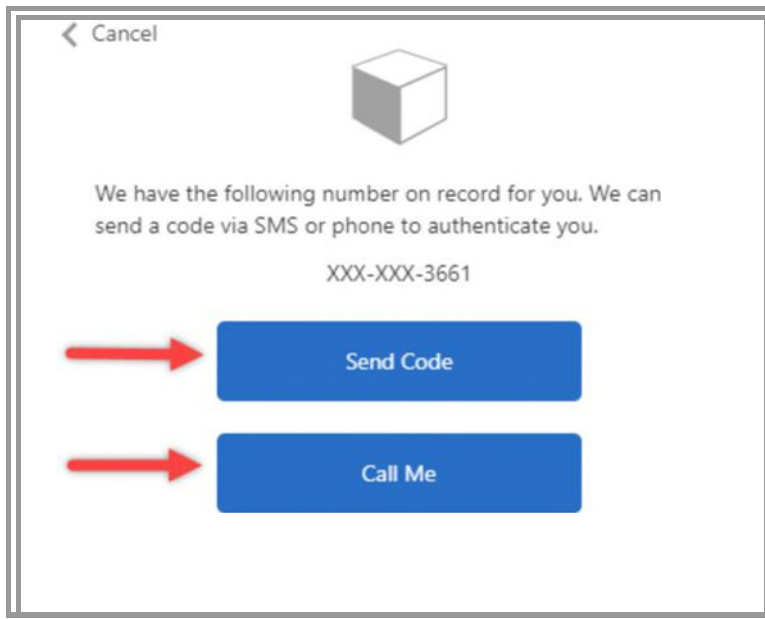

The screenshot shows the Acentra Health login page. At the top is the Acentra Health logo. Below it is the heading "LOGIN OPTIONS". There are two main login sections: "Acentra Health Employees" and "Customer/Provider". The "Customer/Provider" section has two buttons: "LOGIN WITH PHONE" and "LOGIN WITH EMAIL". The "LOGIN WITH PHONE" button is highlighted with a red box, and a red arrow points to it from the left. Below the login options, there is a link to register and a link for users having trouble logging in.

Enter the email address and password created during the registration process. Click **Sign in**.

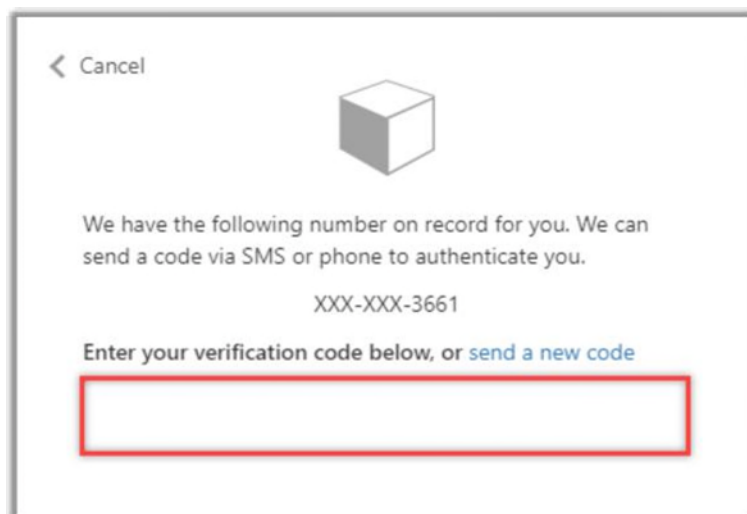

The screenshot shows the Acentra Health sign-in page. At the top is the Acentra Health logo. Below it is the heading "Sign in with your email address". There are two input fields: the first contains the email address "DemoHospital18@yahoo.com" and the second contains a series of dots representing a password. Below the password field is a link that says "Forgot your password?". At the bottom is a blue "Sign in" button, which is highlighted with a red box and a red arrow points to it from the right.

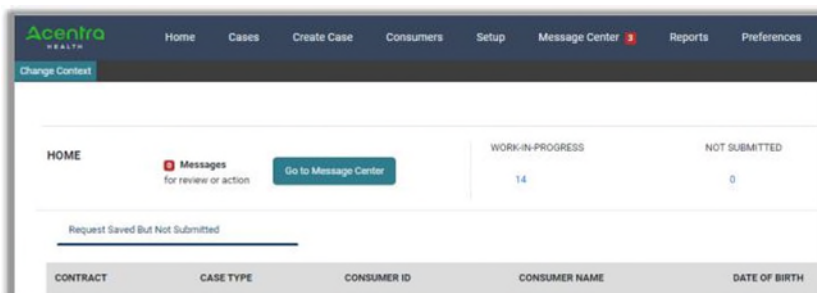

Confirm the phone number on file to receive a verification code. Select **Send Code** for an SMS text verification code or **Call Me** for a voice call to complete verification.

If Send Code option is selected, enter code received via text.

The system will automatically login and the home page will display.

Remember Me Functionality

Use these instructions to enable your computer to remember your login credentials for four (4) hours. You should NOT use this option if you use a shared device. When the Remember Me button is checked on the login screen, external users will be able to login without entering Atrezzo credentials or MFA for four (4) hours.

To use this feature, check **Remember Me** box then click **Login with Phone** or **Login with Email**.

The screenshot shows the Acentra Health login interface. At the top is the Acentra Health logo. Below it is the heading "LOGIN OPTIONS". There are two main login sections: "Acentra Health Employees" and "Customer/Provider". The "Acentra Health Employees" section has a "LOGIN" button and a "Remember Me" checkbox. The "Customer/Provider" section has "LOGIN WITH PHONE" and "LOGIN WITH EMAIL" buttons, and a "Remember Me" checkbox. A red arrow points to the "Remember Me" checkbox in the "Customer/Provider" section, which is also highlighted with a red box. Below the login options, there are links for registration and help.

For the next four (4) hours, when accessing Atrezzo, you will click Login with Phone or Login with Email and bypass the login credentials and MFA steps. After four (4) hours, you will need to login with your credentials and MFA when prompted. You must use the same login option (Login with Phone or Login with Email) for the Remember Me functionality to remember the credentials. If you select a different login option, you will be required to enter MFA credentials.

To turn off this feature, uncheck the Remember Me box, before clicking Login with Phone or Login with Email, and you will be prompted to enter login credentials and MFA at the next sign-on.

NOTE: This feature will only work if the browser is configured to “continue where you left off” by reopening tabs on startup. The Remember Me functionality will work as long as the browser remains open, but if the browser is closed, the Remember Me functionality will not work without following the below instructions to configure the system to continue where you left off when last logged in.

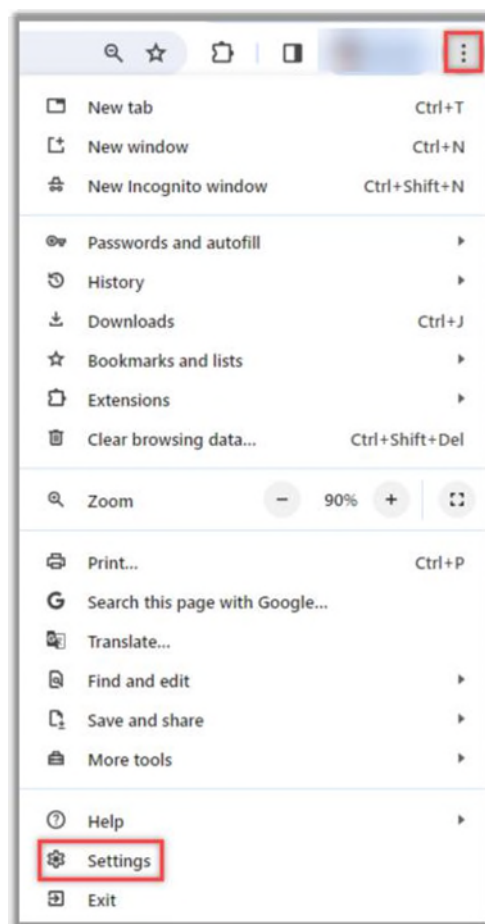

Chrome Configuration

Google Chrome is the preferred browser for Atrezzo.

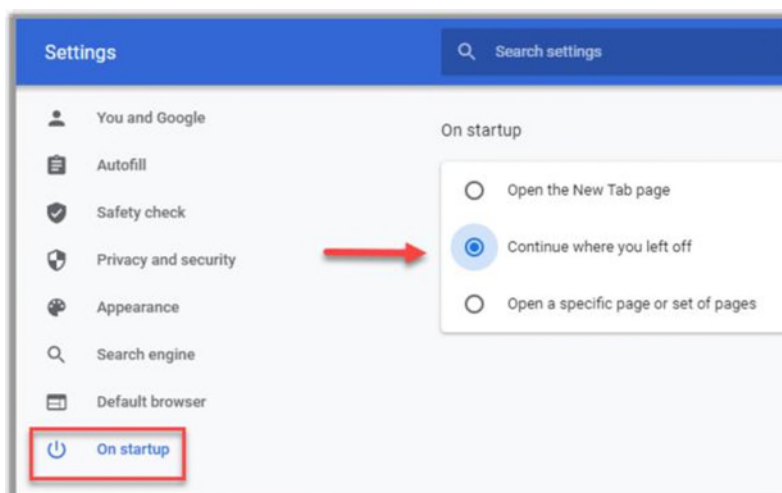

To set “continue where you left off” in Google Chrome, click the **three (3) menu dots** in the upper right corner of the browser.

Then click **Settings**.

Click **On startup** in the left menu

Then click the selection for “**Continue where you left off**”.

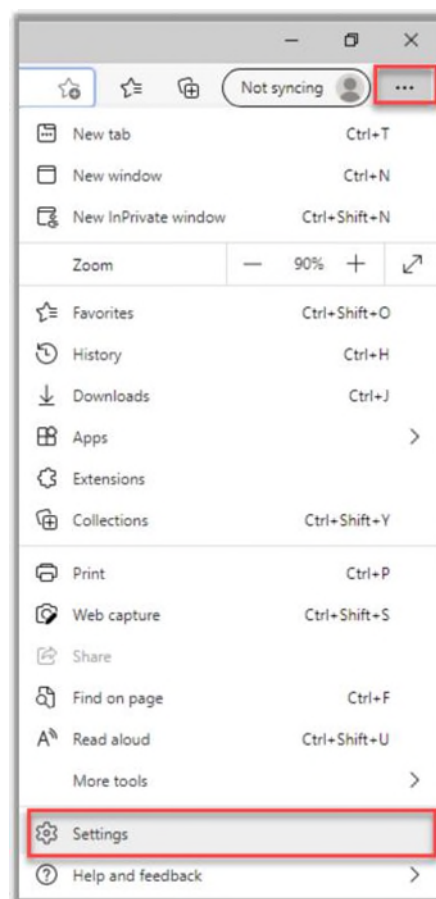

Edge Configuration

To set “continue where you left off” feature in Microsoft Edge.

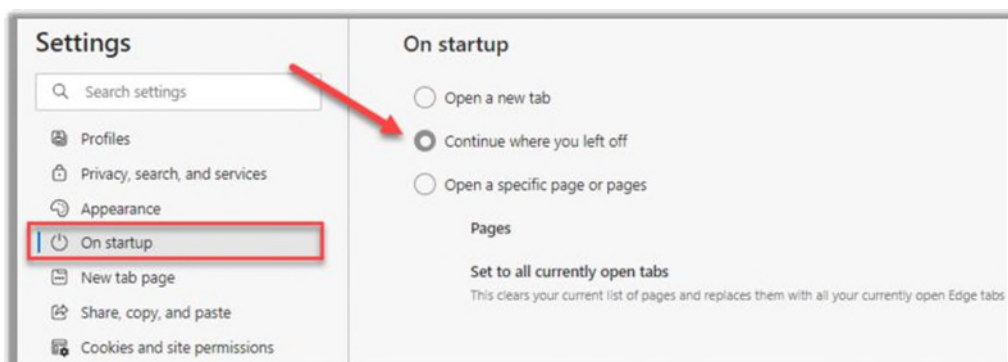

Click the three (3) menu dots in the upper right corner of the browser

Then click **Settings**.

Click **On startup** in the left menu

Then click the selection for “**Continue where you left off**”.

Registration Error Message

If a registration error message is received when attempting to Register, click **Reset**

Enter username and click **Submit**.

An email will be sent to the registered email address to complete the registration process.

Click the link in the email, this will complete the registration process.

Forgot or Reset Password

Select your usual login method **Login with Phone** or **Login with Email** under the Customer/Provider section on the right-hand side of the login page.

The screenshot shows the Acentra Health login page. At the top is the Acentra Health logo. Below it is the heading "LOGIN OPTIONS". There are two main sections: "Acentra Health Employees" and "Customer/Provider". The "Acentra Health Employees" section has a "LOGIN" button and a "Remember Me" checkbox. The "Customer/Provider" section has a "LOGIN WITH PHONE" button and a "LOGIN WITH EMAIL" button, both with "Remember Me" checkboxes. Two red arrows point from the "Customer/Provider" section towards the "LOGIN WITH PHONE" and "LOGIN WITH EMAIL" buttons. Below the login options, there is a note: "If you don't already have a Acentra Health account, you can [register here](#)." Another note says: "If this is your first login with multi-factor authentication, [click here](#) to complete your registration." At the bottom, it says: "Having trouble logging in? [Click here](#)."

On the next page, select **Forgot your password**

The screenshot shows the Acentra Health sign-in page. At the top is the Acentra Health logo. Below it is the heading "Sign in with your email address". There are two input fields: "Email Address" and "Password". Below the "Password" field is a link "Forgot your password?" which is highlighted with a red box. At the bottom is a blue "Sign in" button.

Enter email address and click **Send verification code**

Below the logo, the text "Verification code has been sent to your inbox. Please copy it to the input box below." is displayed. Below this text is a text input field containing the email address "demohospital18@yahoo.com". Underneath is another text input field labeled "Verification Code" with a red rectangular border around it. Below the input field are two blue buttons: "Verify code" and "Send new code", with a red arrow pointing to the "Verify code" button from the left. At the bottom is a light blue button labeled "Continue".

Click **Continue**

Phone users will be prompted to select **Send Code** for an SMS text or **Call Me** for voice verification. If Call Me is selected, you will be prompted to press # on the keypad for verification. If Send Code is selected, you will receive a 6-digit code via SMS text.

NOTE: This step will only appear for users who registered a phone number during MFA Registration. Email only users, will not be prompted for a phone number and will be prompted to change their password after email verification is complete.

Once verification is complete, enter a new password and confirm the password. Click **Continue**.

The home page will display once the reset password process is completed.
