

Dear Case Manager,

The data migration of the 100.2 assessment Benefits Utilization System (BUS) completed on Sunday, September 10, 2023. All 100.2 assessment Benefits Utilization System (BUS) data should be available at this time.

Thank you,

Department of Health Care Policy & Financing

---

Dear Case Manager,

Please note that the "7:00 AM" time noted in the third bullet point below has been changed from AM to PM.

Thank you,

Department of Health Care Policy & Financing

---

Dear Case Manager,

The data migration of the 100.2 assessment Benefits Utilization System (BUS) is scheduled to continue this week during non-business hours, between 7:00 PM MT and 7:00 AM MT.

The Care and Case Management (CCM) System will be unavailable during the following timeframes:

- Wednesday September 6, 2023 at 7:00 PM MT until Thursday September 7, 2023 at 7:00 AM MT
- Thursday September 7, 2023 at 7:00 PM MT until Friday September 8, 2023 at 7:00 AM MT
- Friday September 8, 2023 at 7:00 **PM** MT until Saturday September 9, 2023 at 7:00 AM MT

A communication will be sent when the 100.2 assessment migration is complete.

Thank you,

Department of Health Care Policy & Financing

---

Dear Case Manager,

The Benefits Utilization System (BUS) 100.2 assessments are still being migrated in the Care and Case Management (CCM) System and the timing for the full migration will be distributed later this week.

Thank you,

Department of Health Care Policy & Financing

---

Dear Case Manager,

The data migration of the 100.2 assessment Benefits Utilization System (BUS) is scheduled to begin on Friday, September 1, 2023, at 6:00 PM MT. The Care and Case Management (CCM) System will be unavailable from Friday, September 1, 2023, at 6:00 PM MT until Tuesday, September 5, 2023, at approximately 8:00 AM MT.

A communication will be sent when the migration is complete.

Thank you,

Department of Health Care Policy & Financing
