National Provider Identifier (NPI)

- **Most providers require a National Provider Identifier (NPI) for billing transactions.**
- Non-medical providers, such as some Home and Community-Based Services (HCBS) and Non-Emergent Medical Transportation (NEMT) providers, do not need a National Provider Identifier (NPI) and use the Health First Colorado Provider ID for billing transactions.
- Providers who bill Medicare need to ensure each National Provider Identifier (NPI) for Health First Colorado is also enrolled with Medicare.

National Provider Identifier (NPI)

Individual Providers

(Individuals Within a Group, Billing Individuals or Ordering/Prescribing/Referring)

- One National Provider Identifier (NPI) can be affiliated with multiple locations
- Tied to Social Security Number (SSN)

Organizational Providers

(Groups, Facilities)

- Separate National Provider Identifier (NPI) for each service location and provider type
- Tied to Employer Identification Number (EIN)

Revalidation

- All Health First Colorado and Child Health Plan *Plus* (CHP+) providers must revalidate in the program at least every five (5) years to continue as a provider.
- **Providers who do not complete the revalidation process by their revalidation due date will be subject to claim denials and disenrollment.**
- Each provider will be notified via email six (6) months in advance of their revalidation deadline. The deadline is based on the date the enrollment application was approved.

Revalidation

- A spreadsheet with providers' revalidation dates can be found on the Department's Revalidation web page.

Revalidation

Health First Colorado and CHP+ Provider Revalidation

Child Health Plan *Plus* (CHP+) and Health First Colorado (Colorado's Medicaid program) providers must revalidate in the program at least every five (5) years to continue as a provider. Organization Health Care Providers are required to obtain and use a unique National Provider Identifier (NPI) for each service location and provider type enrolled.

Attention: Download the Provider Revalidation Dates Spreadsheet to verify the next revalidation due date. Providers will be contacted via email approximately 6 months prior to their revalidation deadline with further instructions. **Attempting to revalidate by completing a new application before being notified will create duplicate enrollments and cause claim processing issues.**

 - Different from the group or facility account and login credentials
- Individuals, or their delegate(s), **must revalidate using the account for the individual provider.**
 - Refer to the [Delegates - Provider Web Portal Quick Guide](#) for more information on managing delegates.
- Even if the billing provider has revalidated, claims will deny if an individual provider has not revalidated.

Revalidation for Individual Providers

- All Ordering, Prescribing and Referring (OPR) providers indicated on a claim must be actively enrolled with Health First Colorado.
 - Groups are encouraged to coordinate with all Ordering, Prescribing and Referring (OPR) providers to ensure that those provider IDs have been revalidated.
 - Refer to the [Ordering, Prescribing and Referring Claim Identifier Project](#) for more information about Ordering, Prescribing and Referring (OPR) issues on claims.

Providers with multiple locations should ensure that the correct location is being used. Having the incorrect location can impact whether a claim will adjudicate—or process a decision—correctly.

Providers with separate National Provider Identification (NPI) numbers are encouraged to verify their NPI before moving past this home page screen.

Eligibility Types

Family Planning Expansion (FAMPL)

- Some individuals qualify for Family Planning Expansion (FAMPL) benefits **only**.

- Family planning coverage for non-citizens available from July 1, 2022

Eligibility Types

Emergency Medicaid Services (EMS)

- Adult* Non-Citizen Emergency Medicaid Services (EMS)

- Examples of an emergency are:
 - Sudden, urgent occurrence that requires immediate action (e.g., sizeable wound, breathing difficulty, seizure)

*Pregnant persons and children ages 18 and younger have access to full Health First Colorado and Child Health Plan Plus (CHP+) benefits regardless of immigration status

Who Defines an Emergency?

- **The provider determines whether the service is considered an emergency** and marks the claim appropriately by checking box 24C on the CMS 1500 paper claim or selecting “Y” for the EMG field on the Provider Web Portal.
- Health First Colorado does not determine emergency status based on diagnosis or procedure codes used on the claim. The box must be checked to indicate emergency.

Eligibility Types

Child Health Plan *Plus* (CHP+)

- Members determined to be eligible are later assigned to one of the four Child Health Plan *Plus* (CHP+) Managed Care Organizations (MCOs): Colorado Access, Denver Health, Kaiser Permanente or Rocky Mountain Health Plans.
 - Before Managed Care Organization (MCO) assignment: Services must be billed as fee-for-service to the Fiscal Agent, Gainwell Technologies (or Prime Therapeutics [formerly Magellan] for pharmacy services)
 - After Managed Care Organization (MCO) assignment: Services must be billed to the Managed Care Organization (MCO)

Eligibility Types

Child Health Plan *Plus* (CHP+)

- Providers should contact the Managed Care Organization (MCO) for further benefit details. Benefits through Child Health Plan *Plus* (CHP+) may vary from the Title XIX ([Title 19] Medicaid) benefit plan.

Breast and Cervical Cancer Program (BCCP)	<u>Breast and Cervical Cancer Program (BCCP) Eligibility Criteria</u>	All <u>Health First Colorado benefits</u>

Managed Care

Managed Care

Managed Care Organizations (MCOs)

- Some services are not included in the managed care contract for Rocky Mountain Health Plans or Denver Health.
 - Those fee-for-service claims can be billed directly to the Fiscal Agent (Gainwell Technologies).

Example:

- Denver Health does not pay for hospice. Hospice claims for a member with Denver Health enrollment would be billed directly to Gainwell Technologies.

Managed Care

Regional Accountable Entity (RAE)

- Members are assigned to the Regional Accountable Entity (RAE) for their geographic area for behavioral **health**.
 - Most behavioral health claims are submitted to the Regional Accountable Entities (RAEs).
 - Contact the Regional Accountable Entity (RAE) in your area to enroll as a Behavioral Health Provider.
- Regional Accountable Entities do not pay for pediatric behavioral therapy. Pediatric behavioral **therapy** claims should be submitted to the Fiscal Agent (Gainwell Technologies).

Dual Eligibility

- Members may be eligible for both Medicare and Health First Colorado.
- Health First Colorado is always the payer of last resort.
 - **Bill Medicare first for members with Medicare and Health First Colorado.**
- Retain proof of:
 - Submission to Medicare prior to Health First Colorado
 - Medicare denials(s) for seven (7) years
- Medicare Explanation of Benefits does not need to be attached to claim submission.

Medicare

- Medicare members may have:
 - Part A only covers institutional services
 - Hospital insurance
 - Part B only covers professional services
 - Medical insurance
 - Part A and B covers both services
 - Part D covers prescription drugs

<https://boomerbenefits.com/wp-content/uploads/2021/04/parts-of-medicare-1.png>

Medicare

Qualified Medicare Beneficiary (QMB)

- Qualified Medicare Beneficiary (QMB) programs cover any service covered by Medicare.
 - Qualified Medicare Beneficiary Plus Medicaid (QMB+): Members also receive Health First Colorado benefits (Title XIX [Title 19]).
 - Qualified Medicare Beneficiary (QMB) Only: Members do not receive Health First Colorado benefits. Health First Colorado will only pay if Medicare pays primary.
- Members are only responsible for Health First Colorado co-pay.

Medicare

Qualified Medicare Beneficiary (QMB)

- Health First Colorado uses “lower of pricing” logic - either coinsurance and deductible or difference between Medicare paid amount and Health First Colorado allowed amount, whichever is lower.

Which side is lower? That's what is paid by Medicaid.

Third Party Liability

(Commercial Insurance)

- **Health First Colorado is always the payer of last resort.**
 - Indicate the date the Third-Party Liability (Commercial Insurance) paid or denied on each claim.
 - The Explanation of Benefits (EOB) does not need to be attached to the claim.

Third Party Liability

(Commercial Insurance)

- When a provider agrees to render service to a member, they agree to work with all the member's forms of insurance. Providers working with Health First Colorado members cannot:
 - Bill the member the difference between the amount billed and the amount reimbursed
 - Bill the member for the co-pay or deductible assessed by the Third-Party Liability (Commercial Insurance)

Third Party Liability

(Commercial Insurance)

- Health First Colorado pays the difference between Third-Party Liability payment and Program Allowable.

Example 1:

Charge = \$500

Program allowable = **\$400**

Third-Party Liability payment = **\$300**

Program allowable - Third-Party Liability payment = **Reimbursement**

$$\text{\$400.00} - \text{\$300.00} = \text{\$100.00}$$

Example 2:

Charge = \$500

Program allowable = **\$400**

Third-Party Liability payment = **\$400**

Program allowable - Third-Party Liability payment = **Reimbursement**

$$\text{\$400.00} - \text{\$400.00} = \text{\$0.00}$$

Third Party Liability

Order of Payers

- When a member has Medicare:
 - Primary (1): Medicare (within 12 months from the date of service)
 - Secondary (2): Health First Colorado (within 365 days from the date of service or 120 days from the Medicare Explanation of Benefits [EOB] if after 365 days and including Medicare Explanation of Benefits date)
- When a member has Third Party Liability/Commercial Insurance:
 - Primary (1): Commercial insurance
 - Secondary (2): Health First Colorado (within 365 days from the date of service and including commercial insurance Explanation of Benefits date)
- When a member has Medicare and Third Party Liability/Commercial Insurance:
 - Primary (1): Commercial insurance
 - Secondary (2): Medicare (within 12 months from the date of service)
