- Federal Government has promised a 60 day warning. States have NOT received a warning, so it is likely to be extended again
- Ongoing vaccine outreach and work to address disparities
- Planning for the end of the Public Health Emergency is ongoing. Resources can be found at <https://hcpf.colorado.gov/phe-planning>
- COVID related data: covid19.colorado.gov

DOC Metric Update

Matt Pfeifer - HCPF

Preliminary DOC data

- The Department recently transitioned to a new process for RAEs/MCOs to submit claims which has delayed the metric calculations.
- There continue to be a couple of issues in the data so results seem to be about 1% off.
- The expectation is for monthly updates to continue.
