COVID-19 Updates

End of Continuous Enrollment

- Colorado has been planning for the end of continuous enrollment and is working with CMS for ongoing approvals and reporting.
- Normal renewal processes will resume with the first notices going out in March 2023 for members with renewals due in May 2023.
- **Not all members will be renewed at the same time.** Each member's renewal month will align with their already established annual renewal month.
- Colorado will take 12 months (14 months including noticing) to renew all 1.7 million members.

Preliminary DOC Metric Data

- Work continues to address data inconsistencies. Source data appears to be corrected but there was not enough time to calculate the metric.
- June and July 2022 rates appear likely to be about 19.00-19.50%.
- FY21-22 Target Rate: 19.14%
- FY22-23 Target Rate: 22.08%
- There is some potential that rates will begin to be shared on a quarterly basis.
