

Dear Benefits Utilization System (BUS) and DDDWeb user,

Access to the Benefits Utilization System (BUS) and the DDDWeb has been revoked. These systems are no longer available.

Three years' worth of relevant data from the legacy systems was migrated as of October 13, 2023, and is currently available in the Care and Case Management (CCM) System. If access is needed for the CCM, submit a [3rd Party User Access Form](#) to [HCPF\\_OCLSystemApplications@state.co.us](mailto:HCPF_OCLSystemApplications@state.co.us) and allow a minimum of 10 business days.

Thank you,

The Department of Health Care Policy & Financing
