

Dear Behavioral Health Provider,

Beginning July 1, 2022, the following gender identity disorders will only be reimbursed under the Capitated Behavioral Health Program, administered by Regional Accountable Entities (RAEs), for members enrolled in the Accountable Care Collaborative (ACC):

- F64.0 Transsexualism
- F64.1 Dual role transvestism
- F64.2 Gender identity disorder of childhood
- F64.8 Other gender identity disorders
- F64.9 Gender identity disorder, unspecified

Health First Colorado providers will no longer be able to bill the [Outpatient Behavioral Health](#) fee-for-services benefit for services provided for one of the diagnoses listed above, when a member is enrolled in the ACC and is assigned to a RAE. Behavioral health providers must contract directly with the RAE(s) in order to bill for behavioral health service provided for gender identity disorders. For more information, see the [Contracting Guidance for Behavioral Health Providers](#) fact sheet.

Contact Sandy Grossman at [Sandra.Grossman@state.co.us](mailto:Sandra.Grossman@state.co.us) with additional questions.

Thank you,

Department of Health Care Policy & Financing
