

Are you living with a **brain injury** making it **difficult to do daily activities?**

Health First Colorado can help **improve your quality of life** through a program called the **Brain Injury (BI) Waiver**

Health First
COLORADO™
Colorado's Medicaid Program

What is a Waiver?

Home and Community Based Services (HCBS) Waivers are programs offering **services and benefits** to help people with **specific health conditions** live more independently in the community. Waiver programs give you

choice, control, and access to a full array of supportive services.

Brain Injury (BI) Waiver

If you have a **traumatic or acquired brain injury**, the Brain Injury Waiver provides **services and supports** allowing you to live in your **home or community**, rather than a hospital or nursing facility.
