**Healthcare Common Procedure Coding System (HCPCS) Updates for 2022**

On January 1, 2022, Health First Colorado (Colorado’s Medicaid program) implemented the annual 2022 Healthcare Common Procedure Coding System (HCPCS) deletions, changes and additions effective for dates of service on or after January 1, 2022. Updates can be found on the Provider Rates & Fee Schedules web page.

Claims billed with a HCPCS 2022 procedure code will suspend for EOB 0000 - “This claim/service is pending for program review” until the updates are completed in the Colorado interChange. Once the rates are loaded, the claims will be released.

Code descriptions are not contained in this bulletin. The descriptions are copyrighted by the American Medical Association (AMA). Providers should reference their 2022 HCPCS and Current Procedural Terminology (CPT) coding manuals for procedure code descriptions. These coding manuals may be purchased through the AMA and publishers such as OptumInsight.
