EVV Overview - June 2023

Compliance - Match Rate & Strike Report

- Learn more, visit the [EVV Resources](#) web page to review the [EVV CDASS Compliance Protocol](#).

Quality - Unmodified & Modified EVV

- **CDASS Stakeholders:** Take 2 minutes to share your EVV collection experience. Click [here](#) to provide your feedback.
- Working together to improve **Unmodified EVV**, EVV captured at time of services, real-time and best practice.
- **Modified EVV** - EVV visit with one or more of the Verification Data Points captured or modified after the time of service, compliant but not best-practice.
- Collecting EVV at time of service can help the Employer of Record to review and approve services provided in a more efficient manner.
