Dear PDPPC Stakeholder,

The CDASS Employer 101 Training workgroup was convened to work on developing a community training geared toward CDASS Members. The first goal is to identify topics that Members have identified that further training and/or resources are needed for. The workgroup has drafted some topics; however, we believe it is necessary to gain feedback from PDPPC stakeholders to finalize targeted topics. Please provide your answers to the following survey by **April 15, 2021**.
