

Dear Case Manager,

The Department of Health Care Policy & Financing (the Department) has updated training materials on the [Bridge Training web page](#) to include a Quick Guide and Case Manager Guide for case managers when completing Consumer-Directed Attendant Support Services (CDASS) Prior Authorization Request (PAR) revisions in Bridge.

The Quick Guide for Case Managers provides direction and clarification for case managers on completing CDASS revisions through a one-page set of condensed instructions, as well as a visual workflow outlining the basic revision steps. The Case Manager Guide offers more thorough training, including highly detailed instructions on the revision process and Bridge screenshots of each step.

The following materials have been updated:

- CDASS PAR Revisions-Quick Guide for Case Managers - March 2022
- CDASS PAR Revisions-Case Manager Guide - November 2021

More resources are available on the [Bridge Training web page](#).

For further assistance with CDASS PAR revisions, contact CCMHelpdesk@dxc.com and Cc: Lauren.Krzyminski@state.co.us.

Thank you,

Department of Health Care Policy & Financing
