## Dear CHASE Stakeholders,

The Colorado Department of Health Care Policy and Financing (the Department) will be presenting for emergency the draft rule revisions for the federal fiscal year (FFY) 2023-24 HAS provider fees and supplemental payments at the Friday, June 14th Medical Services Board (MSB) meeting. The draft rule revisions have been posted to the [CHASE Board website](#). The MSB meeting is open to the public, with more information available [here](#).

All hospitals will be notified of their FFY 2023-24 HAS provider fees and supplemental payments on Monday, June 17th. This will include the reconciliation process to occur with the July through September monthly transactions. The Department will also be hosting a webinar in early July, providing a summary overview of the CHASE program, the calculations of the FFY 2023-24 provider fees and supplemental payments, the three-month reconciliation process, and a general Q&A session. More information on the webinar will be provided to hospitals later this month.
