Learn about the recent Children's Habilitation Residential Program (CHRP) Waiver expansion and how it can better serve the children and families you support.

Through new and expanded services, CHRP will better support children and families in a home- and community-based setting.

At this meeting, we'll provide information on:

- New and existing CHRP services and providers requirements.
- What training, credentialing and licensing processes are needed to participate as a provider.
- Other information about becoming a CHRP provider.
