

PROGRAM GOAL: Participants receive federal matching funds (reimbursement) for providing health services to Medicaid enrolled Individualized Education Program (IEP) or Individualized Family Service Plan (IFSP) students who attend public school. With the expansion of Free Care effective October 1, 2020, eligible other plans of care are reimbursable as well.

There are two ways to receive federal reimbursement under the School Health Services (SHS) Program:

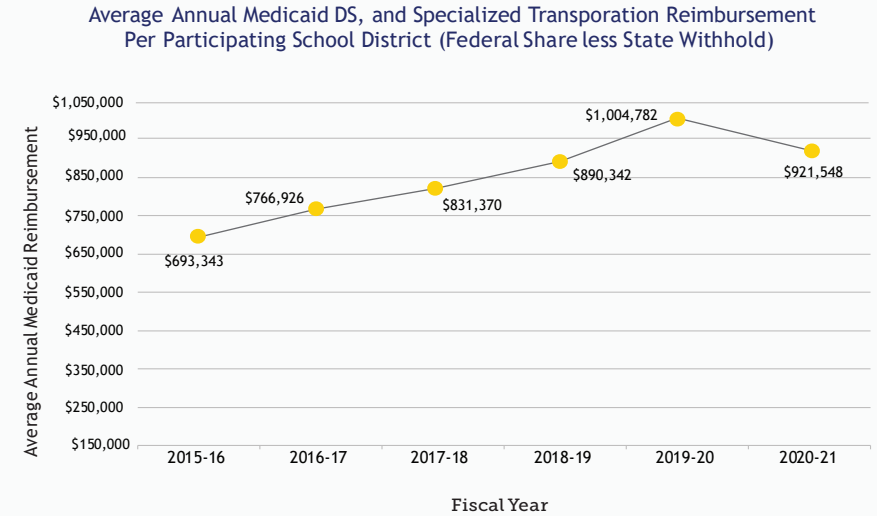

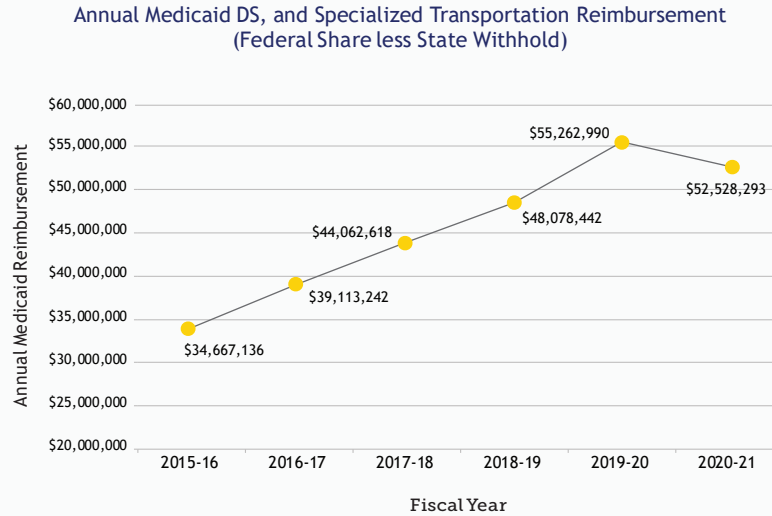

COLORADO
School Health Services Program

Direct Service (DS), Free Care, and Specialized Transportation

SERVICES INCLUDE:

Physician, Speech, Language and Hearing, Nursing, Personal Care, Occupational Therapy, Physical Therapy, Psychology/Counseling, Social Work, Case Management, and Specialized Transportation

Districts must participate in DS and may choose to participate in the remaining service categories

Total Net Allowable Costs

Annual cost settlement is determined by subtracting gross interim payments from the total net allowable costs

WHO IS ELIGIBLE TO PARTICIPATE?

Any public school district, Board of Cooperative Educational Services (BOCES), or state educational institution that serves students in kindergarten through twelfth grade may participate.

BENEFITS TO PROGRAM PARTICIPATION:

The money generated can be used to fund the district's health needs for all students, as identified in your district's Local Services Plan (LSP). For example, some districts have paid for:

- Enhance school nurse services and school health aides;
- Dental, vision, and pharmacy vouchers to uninsured/underinsured students;
- Outreach and enrollment assistance to uninsured families;
- Health supplies and equipment; and
- Enhanced physical and mental health services.

REQUIREMENTS OF PROGRAM PARTICIPATION:

- Have a LSP approved by the Colorado Department of Education (CDE);
- Have a contract with the Department of Health Care Policy and Financing;
- Enroll as a Medicaid provider in the Medical Assistance Program;
- Participate in the Random Moment Time Study (RMTS); and
- File appropriate financial and statistical reports on a quarterly and annual basis.
