

How to View Determination Letters in eQSuite® Guide

This document will show you how to view your determination letters in eQSuite® once a determination has been rendered.

The Letters Search section will then give you the option to look at “Completed,” “In Process”, or “Reconsiderations”.

- Under the “Completed” tab you will find a list of patients.
- Find the patient you are needing and click on “View Letter”.

The below pop-up will open and allow you to pick the Letter Type.

- Click on “View” to view the letter.
