Principles Meet Practice: An Introduction to High Fidelity Wraparound

Training:

High Fidelity Wraparound is an evidence-informed, team-based planning model for children, youth, and families with complex needs across multiple systems. This training is for High Fidelity Wraparound Facilitators, Family and Youth Support Partners, and Supervisors to gain an introductory understanding of High Fidelity Wraparound and begin the path to credentialing. Participants will learn about and apply the wraparound principles, phases, and theory of change and practice the skills required by wraparound staff. To earn a certificate of completion, participants must attend all four days.

Dates and Locations:

February 20-21 and March 19-20 in Boulder

April 7-8 and 21-22 in Colorado Springs

June 25-26 and July 16-17 in Boulder
