Dear Vaccine Provider,

The Food and Drug Administration (FDA) rescinded the Emergency Use Authorization (EUA) for monovalent COVID-19 vaccines on April 18, 2023. As a result, monovalent COVID-19 vaccines are no longer a covered benefit effective April 19, 2023. The following Common Procedural Terminology (CPT) codes are now closed, and claims with dates of service of April 19, 2023, or later will deny:
