Purpose of Meeting

- Share draft rules for Case Management Redesign and the restructure of other rules with members and family members and other stakeholders to gather feedback

Current Rule Structure is Fragmented

The New Rule Structure

Waiver/Program Overall Requirements

CMA Requirements

CCB Requirements

Service Definitions

Provider Requirements

Goals for the Rule Updates

1. Minimize duplication within the rules and make sure requirements are consistent across programs.
2. Help everyone involved understand their roles and responsibilities.
3. A rule structure that is easy to follow and understand.

Rule Restructure vs. Changes

Restructure:

- Moving rules around to be in a more accessible format
- Cleaning up language that is outdated or not reflective of current practices

Changes:

- With new statute and requirements in place for case management, we must make changes to rules to align
