

Does your child have **intensive behavioral or medical needs** and an **intellectual or developmental disability?**

Health First Colorado can help them **get the support they need** to live in the community with the **Children's Extensive Support (CES) Waiver**

Health First
COLORADO™
Colorado's Medicaid Program

What is a Waiver?

Home and Community Based Services (HCBS) Waivers are programs offering **services and benefits** to help people with **specific health conditions** live more independently in the community. Waiver programs give you

choice, control, and access to an array of supportive services.

Children's Extensive Support (CES) Waiver

The CES Waiver provides services and supports to **help your child get their needs met**. Services help to establish a foundation for **community inclusion** as they **grow into adulthood**.

How can I get these services?

Your child may qualify if they:

- Are **age 0-17** and **live at home**
- Have an **intellectual or developmental disability or developmental delay** if under age 5
- Have **long-term care needs** similar to what is provided in an institution for children with developmental disabilities
- Require **direct human intervention** for behavioral or medical conditions every two hours during the day and some overnight intervention throughout the week; such as, preventing them from hurting themselves/others or damaging property, or addressing constant vocalizations

If your child is a Health First Colorado member:

Contact your local Case Management Agency to see if they qualify for the Children's Extensive Support Waiver.

If they're NOT a Health First Colorado member:

Contact your local CMA,

or apply online at: co.gov/PEAK

If your child has **intensive behavioral or medical needs** due to an **intellectual or developmental disability or delay**, Health First Colorado can help them **prepare for adulthood** in the community.
