<b>Questions and Answers</b>		
<p>Psych Testing codes – the codes explicitly list only Interns and licensed doctoral level staff as allowed to provide this service.</p> <p>However, it is unclear as to why this restriction is in place. We have interns who, under supervision, have provided psych testing. We then hire them and, despite being under continued supervision, they can no longer provide psych testing. Is that the intent of this restriction or can those providers who have transitioned from being a supervised intern to unlicensed provider provide this service?</p>	Alex Hale	<p>Agreed to add Unlicensed Masters/PHD level provider and Licensed Providers (LCSW, LPC, LMFT) to the Staff Requirements for Codes 96130, 96131, 96136, 96137. We will edit the notes section on each page to add supervision to for unlicensed, and within scope expectation for the licensed.</p>
<p>One of the directives that came from this consultant was the issue of federally funded services requiring a licensed signature on all services rendered. So for services like Case Management, Skills Training and Development, or Clubhouse services which are allowed to be rendered by staff who are unlicensed, notes would need to be co-signed by a licensed provider. Is it the understanding of the committee that this is the case for these services? I’m hearing mixed responses on this issue.</p>	Alex Hale	<p>Amie Adams will review historical documents from HCPF as first step. John will research 2015 Guidance from HCPF re: CMHCs can be rendering provider.</p>
<p>Clubhouse services, specifically the documentation requirements now that we have opened up more flexibility for most codes. I’m inviting a few of the clubhouse providers to join for a closer look at these codes. H2030, H2031</p>	Amie Adams	<p>John will confirm if a Monthly note only is an option for per diem billing. Then email draft language/sample note to committee for further discussion. Finalize language/decision in May meeting. UPDATE: HCPF requires a daily note for per diem codes. The extra documentation notes will be removed from the coding page.</p>
<ol style="list-style-type: none"> <li>Place of Service codes (02 &amp; 10) for Telehealth and implications for providers (i.e. a member does not disclose, homeless, etc.)</li> <li>For Medicare/Medicaid Eligible members, Medicare is not implementing POS 10 until April 1, 2022. What is HCPF’s expectation for submitting these claims as secondary to the RAE? Medicare</li> </ol>	Stacy Stapp	<p>Anything that is not explicitly identified as “home” should default to 02.</p>

submissions will continue to use POS 02 until 3/31/2021 for members at the home receiving telehealth.		
3. Please explain Implementation date vs. effective date		
3.2 WM Min Time (Remove 12 hours)	John	Agreed – no concerns
Modifier HO to be added to Medicare providers who submit claims to RAEs (i.e. LMFT/LPC)	John	What about LAC/CAS/CAT? What about retro claims? 90 Days? No concerns with requiring the Modifier. May just need more policy details.
Modifier FQ – Audio Only – Effective July 1	John	Announced – no discussion
Appendix D Review – John will review and bring to Committee in May	John	Announced – no discussion
Adding F64.0-9 under the CAP Effective July 1	John	Announced – no discussion
E/M coding pages – template design – Move these codes into an Appendix and remove from pages	John	No concerns with making this change. Would request Appendix J be folded in.
Service Categories (pg 16-32) – Coding Committee workgroup will lead this revision	John	Announced – no discussion
<b>Outstanding/Parking Lot</b>		
Residential Coding pages PRTC/F (plus definition)	John	
Review Certified Prevention Specialist (CPS) credentials to evaluate which codes can be indicated for CPS	Amie Adams	<a href="https://www.coprovidersassociation.org/prevention-home">https://www.coprovidersassociation.org/prevention-home</a> Can we indicate this provider type is able to provide H0021, 23, 24, 25 on both OBH/MCD pages.
