Your coverage has been reopened

Recently you received a Termination letter, letting you know you were no longer eligible for Health First Colorado (Colorado's Medicaid Program) or Child Health Plan *Plus* (CHP+).

Because of the Coronavirus (COVID-19) public health emergency, your Health First Colorado or CHP+ coverage has been reopened. You will receive coverage and benefits until the public health emergency ends. At the end of the public health emergency, we will send you a new letter with information about your coverage.

If you have questions about your coverage or benefits, please call **(720) 523-2800**.

Here's what you need to do now:

1. Please keep your information up to date to make sure you receive all letters from us.
 - Go to [Colorado.gov/PEAK](https://colorado.gov/PEAK) if you need to change your address or update other information. If you don't have a PEAK® account, it only takes a few minutes to sign up. Create a new account at [Colorado.gov/PEAK](https://colorado.gov/PEAK). Click "sign in" and then click "create an account"
2. Please make sure to read all letters you receive from us
3. If you have questions about Coronavirus (COVID-19), please visit covid19.colorado.gov/

Thank you.
