

Dear Provider,

The Department of Health Care Policy & Financing revised its contract arrangement for members enrolled in Denver Health Medicaid Choice. Under this new contract, Denver Health is partnering with Colorado Access to manage behavioral health services for its members. As a result, the Denver Health Medical Plan is now listed in the Regional Accountable Entity field in the [Provider Web Portal](#).

There is no change to how providers deliver, authorize, or process reimbursement for services to members enrolled in Denver Health Medicaid Choice. Denver Health still administers and reimburses all covered physical health services, and Colorado Access still administers and reimburses all covered behavioral health services.

For more information, contact Denver Health Medicaid Choice at 303-602-2116, contact Colorado Access at 303-368-0038 or refer to the [Denver Health Medicaid Choice fact sheet](#).

Thank you,

Department of Health Care Policy & Financing
