Department of Health Care  
Policy & Financing

Dear Provider,

If you provide pediatric behavioral therapy (PBT) and submit Electronic Visit Verification (EVV) be advised of the following EVV clarifications.

Updates have been made to the applicable place of service (POS) to include POS 99 "other" to the Colorado EVV requirements for PBT. EVV is required for POS 99 and PBT providers remain ineligible for the Live-in Caregiver EVV exemption designation.

Please see the [EVV Program Manual](#) and applicable therapies table for reference.

This change is effective February 1, 2022. Claims impacted by this requirement may be re-submitted.

Please reach out to the [evv@state.co.us](mailto:evv@state.co.us) inbox with any questions.

Thank you,

Department of Health Care Policy & Financing
