Dear Provider,

Implementation of the Ensuring Appropriate Claims Payment project is anticipated to begin in late September. Providers are reminded this project has two components: implementation of ClaimsXten™ and improvements to the 3M EAPG Grouper. More information can be found in the [August 2020 Provider Bulletin \(B2000451\)](#).

An [informational webinar is now available for viewing](#). This recorded webinar is less than 10 minutes long and provides a high-level walk-through of the purpose, timeline and implementation of the Ensuring Appropriate Claims Payment project. Frequently Asked Questions (FAQs) have been published on the [Ensuring Appropriate Claims Payment web page](#). Email HCPF_ClaimsXten@state.co.us with additional questions.

Thank you,
