FFY 2023-24 CHASE Inpatient & Outpatient Supplemental Payment Adjustment Groups

Rehabilitation / Long Term Care Acute (LTAC) Hospital - A rehabilitation hospital or a long-term care hospital certified by the Colorado Department of Public Health and Environment (CDPHE).

State Government Teaching Hospital - A High-Volume Medicaid and Colorado Indigent Care Program (CICP) hospital within the state government ownership Upper Payment Limit (UPL) category that provides supervised teaching experiences to graduate medical school interns and residents enrolled in a state institution of higher education, and in which more than fifty percent of its credentialed physicians are members of the faculty at a state institution of higher education.

Non-State Government Teaching Hospital - A High-Volume Medicaid and CICP hospital within the non-state government ownership UPL category that provides supervised teaching experiences to graduate medical school interns and residents enrolled in a state institution of higher education, and in which more than fifty percent of its credentialed physicians are members of the faculty at a state institution of higher education.

Non-State Government Rural Hospital or Critical Access Hospital (CAH) - A hospital within the non-state government ownership UPL category that is not located within a Metropolitan Statistical Area designated by the United States Office of Management and Budget (MSA) or is certified as a CAH by the CDPHE.

Non-State Government Hospital - A hospital within the non-state government ownership UPL category not meeting any other adjustment group definitions.

Private Rural Hospital or CAH - A hospital within the private ownership UPL category that is not located within a MSA or is certified as a CAH by the CPDHE.

Private Heart Institute Hospital - A hospital within the private ownership UPL category that is recognized as a HeartCARE Center by the American College of Cardiology (ACC) with a least 25,000 Medicaid non-Managed care days for CRYE 2021.

Private Pediatric Specialty Hospital - A hospital within the private UPL ownership category that provides care exclusively to pediatric populations.

Private High Medicaid Utilization Hospital - A hospital within the private UPL ownership category with a Medicaid payer mix greater than twenty-five percent and a Medicaid non-managed care patient days utilization rate greater than forty percent for CRYE 2021.

Private Neonatal Intensive Care Unit (NICU) Hospital - A hospital within the private UPL ownership category with a NICU classification of Level III or Level IV according to the guidelines published by the American Academy of Pediatrics (AAP).

Private Independent Metropolitan Hospital - A hospital within the private UPL ownership category independently owned or operated within a MSA with greater than 1,500 Medicaid patient days for CRYE 2021.

Private Safety Net Metropolitan Hospital - A hospital within the private ownership UPL category that provides services in the Pueblo MSA with more than 15,000 Medicaid non-managed care patient days for CRYE 2021.

Private Hospital - A hospital within the private UPL ownership category not meeting any other adjustment group definitions.
