

# CHASE

Colorado Healthcare Affordability and  
Sustainability Enterprise

## **FFY 2024-25 CHASE** **Inpatient & Outpatient Supplemental Payment** **Adjustment Groups**

**Rehabilitation / Long Term Care Acute (LTAC) Hospital** - A rehabilitation hospital or a LTAC hospital certified by the Colorado Department of Public Health and Environment (CDPHE).

**State Government Teaching Hospital** - A High-Volume Medicaid hospital within the state government ownership Upper Payment Limit (UPL) category that provides supervised teaching experiences to graduate medical school interns and residents enrolled in a state institution of higher education, and in which more than 50% of its credentialed physicians are members of the faculty at a state institution of higher education.

**Non-State Government Teaching Hospital** - A High-Volume Medicaid hospital within the non-state government ownership UPL category that provides supervised teaching experiences to graduate medical school interns and residents enrolled in a state institution of higher education, and in which more than 50% of its credentialed physicians are members of the faculty at a state institution of higher education.

**Non-State Government Rural Hospital or Critical Access Hospital (CAH)** - A hospital within the non-state government ownership UPL category that is either located outside a Metropolitan Statistical Area (MSA) designated by the United States Office of Management and Budget (OMB) or is licensed/certified as a CAH by CDPHE.

**Non-State Government Hospital** - A hospital within the non-state government ownership UPL category that does not meet any other adjustment group definition.

**Private Rural Hospital or CAH** - A hospital within the private ownership UPL category that is either located outside a MSA or is licensed/certified as a CAH by CPDHE.

**Private Heart Institute Hospital** - A hospital within the private ownership UPL category that is recognized as a HeartCARE Center by the American College of Cardiology (ACC) and has at least 25,000 Medicaid non-Managed care days for CRYE 2022.

**Private Pediatric Specialty Hospital** - A hospital within the private ownership UPL category that provides care exclusively to pediatric populations.

**Private High Medicaid Utilization Hospital** - A hospital within the private ownership UPL category with a Medicaid payer mix greater than 25% and a Medicaid non-managed care patient days utilization rate greater than 40% for CRYE 2022.

**Private Neonatal Intensive Care Unit (NICU) Hospital** - A hospital within the private ownership UPL category that has a NICU classification of Level III or Level IV, as defined by the guidelines published by the American Academy of Pediatrics (AAP).

**Private Independent Metropolitan Hospital** - A hospital within the private ownership UPL category that is independently owned or operated, located within a MSA, and has more than 1,500 Medicaid patient days for CRYE 2022.

**Private Safety Net Metropolitan Hospital** - A hospital within the private ownership UPL category that provides services in the Pueblo MSA and has more than 15,000 Medicaid non-managed care patient days for CRYE 2022.

**Private Sole Community Hospital** - A hospital within the private ownership UPL category that is designated as a Private Sole Community Hospital by the Center for Medicare and Medicaid Services (CMS) that is not a rural hospital or CAH.

**Private Hospital** - A hospital within the private ownership UPL category that does not meet any other adjustment group definition.
