P-022 [Rep. Brown] For each service line where the Department proposes reductions, what are the recent utilization and expenditure trends? What is driving those trends? How will the proposed reduction bend the cost curve? Finally, please identify the current projected expenditures for that service by fund source to help put the magnitude of the reduction in context.

Table of Contents:

1. [Community Connector](#)
 - a. **R6.12** Community connector. Reduce community connector rate by 15.0%.
 - b. **R6.33** Community connector. Align rate with the Tier 3 supported community connections rate.
 - c. **R6.34** Community connector units. Reduce annual cap on number of units covered.
 - d. **R17** Community connector age limit. Limit community connector services to children 6 year of age and older.
2. [Dental](#)
 - a. **R6.16** Dental rates. Reduce dental rates 15.5%.
3. [Homemaker provided by legally responsible persons](#)
 - a. **R6.32** Homemaker hours soft cap. Cap paid weekly hours for legally responsible persons providing services.
4. [Long Term Services and Supports](#)
 - a. **R6.30** HCBS hours soft cap. Cap annual hours for personal care, homemaker, and health maintenance activities.
 - b. **R6.31** Caregiving hours soft cap. Cap paid weekly hours per caregiver.
 - c. **R15** Home health/nurse rates. Establish a per-diem blended rate for private duty nursing and update rate structure for home health and Community First Choice benefits.
