Revised: 08072024

3rd PARTY - SYSTEM USER ACCESS REQUEST

This request is used to create, modify, or terminate access to systems the Department administers or maintains.

- "Modification" means changes to access roles within systems the user has already been granted access to.
- "Revocation" means ALL system access privileges will be revoked. Managers must immediately submit a revocation request form to terminate account access for any user no longer authorized to perform responsibilities within the system(s).
- Both "Revocation" and "New" request forms should be submitted when transferring from one agency to another.

The Request must be completed in full. Incomplete applications will be rejected and require re-submission which may delay access. No User IDs will be provisioned until the User has signed the System User Agreement.

Applications are valid for 30 days from the signature date.

- If you are a **Case Manager** requesting access to interChange, Care & Case Management System (MedCompass), and/or PEAKPro, submit your application to **HCPF_OCLSystemApplications@state.co.us** for Contract / Program Manager approval and final submission.
- Otherwise, please return the completed form directly to your HCPF Contract / Program Manager to be completed.
- Any questions related to this form can be directed to HCPF Security@state.co.us.

Upon completion, the HCPF contact should submit the application to ServiceHub > Browse Services > **HCPF 3rd Party Access Request** for processing by the **Access Control HCPF** group.

Section 6 - System User Agreement

Sign Only If Requesting New Access, Modification(s), or Reactivation. No user signature required for Revocation.

By signing this System User Agreement (the "Agreement"), you consent and agree to be bound by all of the terms and conditions below. You understand that your access to systems owned or operated by the Department of Health Care Policy and Financing (the "Department") or other Colorado State agencies (the "Systems") is conditioned on your compliance with these terms and conditions. You further understand that any failure to comply with the terms and conditions may result in legal action against you, as well as termination of your user account. This Agreement applies to any/all systems you are granted access to by the Department.

You acknowledge and agree that the Systems are owned by the Department, either solely or jointly with another State agency, or its licensors, including, but not limited to any copyrights, patents, trademarks or other proprietary rights (collectively, "IP") contained therein. You further acknowledge and agree that the information that may be accessed through the systems (the "Data") is the confidential information of the Department and the State of Colorado that is regulated by State and Federal laws. You understand that your access to the Systems is a privilege granted by the Department and may be revoked at any time. In addition, you agree that your access to the Systems is conditioned upon your compliance with the following acceptable use policy:

Acceptable Use Policy. In accessing the Systems, you agree:

- a) To comply with all applicable laws and regulations in your use of the Systems or the Data, including, but not limited to any and all data privacy laws that may apply to the Data;
- b) To comply with any and all privacy and security policies and procedures provided to you by the Department in your use or access to the Systems and any
- c) Not to use the Systems or Data in any way that infringes on the rights of any individual, including, but not limited to, any privacy rights or other civil liberties;
- d) Not to engage in any activity intended to harm, disrupt or infiltrate the Systems, including, but not limited to, introducing any malware, virus, "Trojan Horse" or other malicious code designed to disrupt the functionality of the systems or enable the unauthorized access of the Systems or any Data.
- e) To access, use or disclose Data created, received, maintained or transmitted through the Systems solely as authorized by the Department; and for no other purpose, and limit your use of the Data solely support the administration and delivery of the Colorado Medicaid Assistance Program;
- f) Not to copy, modify, reverse engineer, decompile, or create derivative works of the Systems or IP contained therein.

STATE OF COLORADO - THIRD PARTY INDIVIDUAL CERTIFICATION FOR ACCESS TO PII THROUGH A DATABASE OR AUTOMATED NETWORK

Pursuant to § 24-74-105, C.R.S., I hereby certify under the penalty of perjury that I have not and will not use or disclose any Personal Identifying Information, as defined by § 24-74-102(1), C.R.S., for the purpose of investigating for, participating in, cooperating with, or assisting Federal Immigration Enforcement, including the enforcement of civil immigration laws, and the Illegal Immigration and Immigrant Responsibility Act, which is codified at 8 U.S.C. §§ 1325 and 1326, unless required to do so to comply with Federal or State law, or to comply with a court-issued subpoena, warrant or order.

User ID and Passwords. Upon signing this Agreement, the Department shall provide you with a unique User Identification and temporary password for you to access the Systems. You understand that your User ID and Password are unique to you and may not be shared with any other person. In addition, you understand that you are responsible for any activity that occurs under your User ID. In the event that another person knows or has used your User ID and Password, you must notify your Security Administrator immediately. You also understand that masking your identity or assuming the identity of another user is a violation of this Agreement and the Department's security policies. You acknowledge and agree that you are solely responsible for securing your password and keeping your password confidential.

System Administration. The Department may monitor, track, and record all users and uses of the Systems at any time, including your access to email, websites, and the Internet if you are accessing the Internet through a Department connection. The Department has the right to update the Systems at any time without notice to any users. You agree to report violations, or suspected violations of this Agreement immediately to your Security Administrator. If you are a State employee, you also agree not to use state time, property, equipment, or supplies for private profit or gain, or for any other use not in the interest of the State of Colorado.

Security Administrator. If you are designated as a Security Administrator, you further agree to the following obligations:

- a) You agree to ensure users are aware of any/all applicable Department Privacy/Security Policies and Procedures and any updates/clarifications provided by the Department.
- b) You shall establish additional appropriate administrative, technical, procedural, and physical safeguards to ensure the confidentiality, integrity, and availability of client/applicant records and other Data.
- c) You shall ensure all computers used to access the Systems contain appropriate, updated anti-virus software.
- d) You shall immediately notify the Department Security Administrator to terminate account access for any user no longer authorized to perform required obligations and responsibilities within the System.
- e) You shall serve as the Department's contact for any privacy-security issues that require escalation or investigation.
- f) You shall immediately report alleged or actual privacy/security incidents to the Department Security Administrator. These would include any/all incidents that could affect the Systems such as virus incidents, unauthorized access, improper use/disclosure of client records and/or information, and any other activity that may be considered a violation, or suspected violation, of this Agreement.

The Department reserves the right to edit/update this Agreement at any time.
