HCPF Memo Series can be accessed online: <https://www.colorado.gov/hcpf/memo-series>

Purpose and Audience:

To inform Community Centered Boards (CCB), Program Approved Service Agencies (PASA) and all other interested stakeholders of the 2018 Supported Employment Roundtables (Roundtables), including registration process, date and location.

The Colorado Department of Health Care Policy and Financing (HCPF) and the Colorado Department of Labor and Employment's Division of Vocational Rehabilitation (DVR) conduct annual Roundtables around the state. The purpose of these Roundtables is to bring together Supported Employment professionals, to discuss updates of best practices, system procedures and to get feedback on barriers found in communities around Colorado.

Information:

For 2018 HCPF and DVR have planned an all-day Roundtable based on feedback received from participants last year. These Roundtables are meant for Case Managers, Supported Employment service agencies, DVR counselors and school-based transition coordinators. The Roundtables will cover topics that include:

- Service sequencing between Medicaid and DVR.
- WIOA federal regulations
- Waiver changes.
- Supportive Employment models.
- Future state of Supported Employment.
- ABLE accounts and benefit management.

Please see attached flyer for registration information, locations and dates of the events. Please register based on the CCB Case Management agency you work with. If an organization works with more than one CCB Case Management agency, please consider attending multiple events.

Final locations will be sent out after registration is closed.
