Purpose and Audience:

The purpose of this Informational Memo is to announce stakeholder meetings the Department plans to hold related to the implementation of Parental Fees within the CHCBS waiver.

Information:

The Department is preparing to hold meetings in August and September to invite stakeholders to provide feedback on the implementation of parental fees in the CHCBS waiver. During the 2018 legislation session, the General Assembly provided funding (Budget Request R-08) to conduct a study of determining an appropriate fee scale for this waiver and to implement the needed systems changes. These stakeholder meetings will discuss the project plan for this effort and explain the Department's approach for developing the fee scale.

How to Participate in these Meetings:

Stakeholders interested in participating in these meetings should email hcbswaivers@state.co.us to be added to the CHCBS Parental Fees meetings' invitations and distribution list.

The Department will announce the date, time, and location for these meetings upon determining the size of the stakeholder group. The Department will establish a web page on <http://www.Colorado.gov/hcpf> to additionally announce meeting dates, notes, and other information related to these waivers' renewals. Reasonable accommodations will be provided upon request for persons with disabilities. There will additionally be

remote access options for individuals wishing to participate in the meetings via webinar or teleconference.
