Purpose and Audience:

The purpose of this Informational Memo is to inform all stakeholders that the Department of Health Care Policy and Financing will host a series of stakeholder meetings to solidify the service design for Life Skills Training (LST) and the appropriate oversight. This service is being sustained from the Colorado Choice Transitions (CCT) demonstration program.

Information:

HB18-1326 was signed into law in April 2018, directing the Department to seek the necessary state plan and waiver amendments to create sustainability for the Colorado Choice Transitions (CCT) demonstration program.

We welcome your involvement as we discuss the Life Skills Training service. We will continue engaging stakeholders for input on:

- Lived experience as a provider qualification;
- Training on personal care as a component of the service;
- Quality oversight of service providers; and,
- LST and Brain Injury-Independent Living Skills Training (ILST) similarities and differences.
