- Notes:
- Historically, DIDD State Only Programs do not have expenditures in accounting period 1. They do, however, have historical expenditures in periods 02 through 11.
 - Family Support Services Program does not have a caseload appropriation. Services are rendered on a case-by-case and as needed basis.
 - The DIDD Caseload Per Month figures for July 2014 and August 2014 have been updated to ensure consistency across all DIDD caseload sources.
 - FY 2014-15 Year-to-Date Appropriation includes DB 14-1316 (FY 2014-15 Long Bill), SB 14-147 (FY 2014-15 Supplemental Bill), SB 15-234 (FY 2014-15 Long Bill Add-on), and Special Bills.
 - FY 2014-15 Appropriations for DIDD Supported Living Services and Targeted Case Management were adjusted to reflect only the portion appropriated for these services. State-only program appropriations were removed.
